UIL Guidelines

There are three key persons who are responsible for this maintenance of good wholesome competitive athletics—the school administrator, the athletic director, and the coach. If these individuals conduct themselves in a sportsmanlike manner, students and fans will follow their example.

The University Interscholastic League recommends that principals and coaches observe the following rules:

- The principal or some other school official with comparable status and authority should be in attendance whenever the school participates so that they may assist in seeing that their coaches, students and fans observe the rules of good sportsmanship.
- The coach shall remain at the seat at mat side assigned to him/her and not make any display during the match. The coach's business is to coach his/her team and not to officiate the match. They also must set an example for his/her team and its followers. (Note that no one, including the coach, may be closer than ten feet to the wrestling and scoring area.)
- No persons, including coaches and principals, shall go to the scoring table when matches are in progress (except as outlined in National Federation Rule 6-6-6) or talk to the officials or judges.
- Coaches are primarily responsible during the tournament for the conduct of their team and others who sit in their corner.
- Administrators are responsible for the conduct of the students under their supervision.

Advancement (Boys and Girls). In district tournaments, the top four wrestlers in each weight class will advance to the regional tournament. At regional, the top four wrestlers in each weight class will advance to the state individual championships.

- The district tournament director will certify district results to the regional director immediately upon completion of the tournament. Regional tournament directors will certify results to the state tournament director immediately upon completion of the tournament. Please use forms found on the UIL website (<https://www.uil texas.org/wrestling/forms>)

Workout. It is strongly recommended in light of recent efforts statewide to reduce loss of school time that every measure be taken to schedule any regional activities during non-school hours. No workouts or practice sessions for qualifiers may be permitted unless there is no loss of school time involved.

Date. District wrestling tournament deadline is **February 3rd, 2024.**

No Sunday Practices. No league member school shall play any athletic contest or conduct any formal practice on Sunday. Travel on Sunday has previously been permitted.

Entry Fees. District directors should set entry fees for all activities. Schools should be notified in advance.

Clothing. Individuals and teams representing member schools in wrestling shall wear school-approved clothing. It is recommended that clothing be in school colors, similar in design, and/or have the school-identifying logo or name. All clothing does not have to be identical, but school officials must approve.

Uniforms. All uniforms (singlets, compression shirts/shorts, and tights) MUST be school issued. NFHS Rule 4-1

Weigh Ins. Weigh Ins for all UIL dual meets and tournaments shall follow the procedures outlined in Rule 4-5 of the National Federation Wrestling Rule Book.

- Contestants shall have the opportunity to weigh in, shoulder-to-shoulder, a maximum of 1 hour before the time a dual meet, or a team's first competition in a multiple dual-meet event is scheduled to begin. When a preliminary meet is followed by a varsity meet, weigh-ins may, by mutual consent, precede the preliminary meet. Contestants in an individual tournament shall weigh in at the tournament site a maximum of 2 hours before the first session of each day.
- For any event, all contestants shall be present in and remain in the designated weigh-in area at the time established by the meet administration. Contestants shall not leave the designated weigh-in area unless permission is granted by the meet administration. The weigh-in shall proceed through the weight classes

beginning with the lowest weight class and ending immediately upon the completion of the highest weight class. A contestant shall weigh in for only one weight class during the weigh-in period. If only one scale is available, a contestant may step on and off that scale two times to allow for mechanical inconsistencies in that scale. If multiple scales are available, a contestant may step on and off the first scale two times to allow for mechanical inconsistencies in that scale. If the contestant fails to make weight on the first scale, the contestant shall immediately step on each available scale one time in an attempt to make weight. During time off the scale(s), activities that promote dehydration are prohibited.

- The referee or other authorized person (school administrator or school approved personnel), shall supervise the weigh-ins.
- When there are consecutive days of team competition, there shall be a 1-pound additional allowance granted each day for all wrestlers. To be granted this 1-pound additional allowance, a minimum of 48 hours advance notice is required for the opponent(s).
- Wrestlers are now permitted to weigh-in wearing a legal uniform with suitable undergarments. All contestants shall weigh in wearing a suitable undergarment that completely covers the buttocks and the groin area. Female contestants shall wear a suitable form-fitted compression undergarment that completely covers their breasts. Contestants may wear low-cut socks that cannot be removed or added if the wrestlers do not make weight.
- Any contestant failing to make weight during the time allotted for the weigh-in shall be ineligible for that weight class.
- Any contestant who has been authorized to wear an artificial limb, shall weigh in with the artificial limb if the contestant chooses to wrestle with it. Once a wrestler has weighed in with the artificial limb, it shall not be removed during competition.

Weight Classifications.

There shall be 14 weight classes per conference for UIL boys' wrestling. A high school team may enter 1 athlete in each weight class. Boys' weight classes are:

106, 113, 120, 126, 132, 138, 144, 150, 157, 165, 175, 190, 215, 285

There shall be 12 weight classes per conference for UIL girls' wrestling. A high school team may enter 1 athlete in each weight class. Girls' weight classes are:

100, 107, 114, 120, 126, 132, 138, 145, 152, 165, 185, 235

*A 2-pound growth allowance takes effect on **December 27th**.

Team Scoring. In district, regional, and state tournaments, team honors shall be determined by the National Federation scoring standards detailed in the rule book (NFHS Rule 9).

Wrestle Backs. At district and regionals, wrestle backs are allowed for advancement purposes only and only if the 4th and 5th place finishers have not previously faced each other in that tournament or if the 4th place finisher has not defeated the 5th place finisher in that tournament. This should be documented on the district, and/or regional results before submitting to the UIL office.

Drawing and Seeding (optional). Immediately following the verification of entries, drawings should be made to place competitors on the tournament bracket. Whenever there are two outstanding wrestlers in any weight class, the name of one shall be placed in the upper half of the bracket and the name of the other in the lower half. In case several seeded contestants are of nearly equal ability, they should be assigned positions according to the places in which they are seeded. A seeded wrestler shall have the same opportunity to draw for a bye as any other contestant, or byes may be placed by mutual consent. Consideration for determining seeded wrestlers should be given to the following:

- record against common opponents
- a returning champion or runner up in the same weight class
- a contestant with an exceptional record against acknowledged strong opposition; and
- a contestant with the best overall record.
- *The DEC should determine what drawing and/or seeding procedures will be used.*

The order listed is not mandated and is not an all-inclusive list. Tournament directors should establish criteria for seeding prior to commencing the actual seeding meeting, if seeding is to be used.

Disqualification. According to National Federation rules, all points accumulated by a wrestler who is disqualified for an unsportsmanlike conduct violation will be deducted from the team score.

Disputes. Protests based on the decision of a tournament official will not be permitted. A tournament committee and a tournament director shall assume responsibility for all aspects of tournament management. The tournament committee shall make decisions on matters not specifically covered by rules.

Media. Space should be provided for individuals representing the media. It would be appreciated if every effort would be made to treat these individuals as our guests, by offering passes, programs, etc.
