SECTION V: BASIS FOR DECISION

The ADA and Section 504 require that accommodations be provided to individuals with disabilities when certain conditions are satisfied. Each case will be decided on its own merits. In reaching its decisions, the UIL will follow applicable law and consider the following:

- whether the requested accommodation(s) is "reasonable";
- whether the requested accommodation(s) is "necessary,"; and
- whether the requested accommodation(s) would "fundamentally alter the nature of" the competition, either because it would alter an "essential aspect of the game" or activity or give the student an "advantage over others and, for that reason, fundamentally alter the character" of the competition.
