

2025 State Meet Parking Information

BE ON TIME

Traffic in Austin is heavy. Allow sufficient time to park and get to the University Teaching Center (UTC), or Welch Hall (WEL) for roll call. If you arrive close to the start time for roll call, you should drop your students off to answer roll while you park.

Unloading at the University Teaching Center or Welch Hall

Turn onto University Ave. from Martin Luther King (MLK) and drop students off on the corner of 21st and University Ave. **DO NOT turn right** as the street does not go thru. **DO NOT** leave your vehicle unattended. Since there will be other vehicles waiting to unload, disembark as quickly as possible to keep everything running smoothly. The UTC is located 1 block east of this drop off and Welch is 3 blocks north of this location and neither is accessible to buses.

Unloading for Welch Hall

Turn on to San Jacinto from Martin Luther King (MLK) and proceed to the corner of San Jacinto and DeLoss Dodds Way/23rd Street. Turn left into the bus circle and drop your students off on the south side. **DO NOT** leave your vehicle unattended. Since there will be other vehicles waiting to unload, disembark as quickly as possible to keep everything running smoothly. Welch Hall is 3 blocks west of this location.

Attention Coaches: Please read all the information below carefully.

MAJOR CONSTRUCTION ON IH-35 AT MLK

Please be aware that there is MAJOR construction occurring on I-35 near campus. The I-35 southbound upper deck exit 235A is now the exit for 15th Street – no access to Martin Luther King, Jr. Blvd. Use the lower deck to access MLK Blvd. Please allow ample time to travel from your hotel to campus each day and find parking.

This spring, demolition will begin on the north side of the MLK bridge over I-35. Traffic will continue to flow both east and west over the bridge. However, traffic lanes will decrease from four lanes down to three, with two for eastbound traffic and one for westbound traffic.

NO FREE PARKING

BRAZOS/TRINITY/SPEEDWAY/SAN JACINTO GARAGES

Parking in these University Garages is on a self-pay space available basis. Brazos and San Jacinto are the closest garages to our events. Brazos Garage is located at 210 East MLK Blvd. From I-35 lower level, turn onto MLK (Martin Luther King) and then make a right on Brazos. San Jacinto garage is located at 2401 San Jacinto Blvd. From I-35 lower level, take the Dean Keeton exit and proceed west to San Jacinto Blvd.
