Scholarship Opportunities

From 1959 to 2024, TILF has awarded more than 22,000 scholarships valued at over \$39 million. Amounts of scholarships range from \$500 for one year to \$24,000 over four years.

Some scholarships have special requirements or restrictions such as requiring a student to select certain majors, attend specific colleges or universities, or compete in specific contests.

Details of all scholarships and their requirements are listed at the TILF website.

Application, deadlines and requirements can be found online at
www.tilfoundation.org.

The awards committee typically meets in June and all applicants will be notified of their status by mid-July of the application year.
