**The Competition Wall**

# Wall of Honor

Learn the Contest  
yourself!

Take the archived  
exams

Compete with your  
kids!

- Teachers are busy
- UIL is not the same as chapter problems in book
- Invest the time for yourself and for them
- You may fall in love with UIL accounting like I did!

**And  
speaking  
of the  
Contest!**

**80 questions**

**5 points apiece**

**20 bonus points**

**420 potential score**

**No penalty points for  
guessing or wrong answers!**

**Do not turn this page until the start signal is given!**

**All answers MUST be written on your answer sheet. Either upper case or lower case letters are acceptable. Write legibly. Write letters far enough above the line so that (for example) an “E” can be distinguished from an “F”.**

**Carefully read the instructions for each group of questions. Pay particular attention to instructions regarding: 1) the required format of answers; and 2) rounding.**

**Acceptable responses (which are not case sensitive) for the following are:**

debit	=	DR
credit	=	CR

**If you choose another response for the examples given above, it will be counted as incorrect. Do NOT spell out the word “debit” or “credit.” The reason for this strict code is to test your ability to read and follow instructions. It also facilitates in the grading process.**

**If the answer has zero cents, it is not necessary to write the decimal or the zeroes for cents.**

**A dollar amount with cents must have two decimal places. A required decimal point must be clearly visible and in the correct position.**
