

Instructions

Click the Microsoft Office Button. Select Print / “Print what:” Click Handouts, then 6 slides per page, horizontal, then OK.

You will print 11 pages, with 6 rectangles on each page.

Tri-Flip Flash cards will be copied on both sides of the paper.

Page 1 will be on one side of all papers. Pages 2-11 will each be copied, upside down, on the back of page 1.

Fold the 2-sided paper in half lengthwise with page 1 on the outside of the fold. Carefully cut from the edge of the paper just to the fold, between Composer and Major Work and between Major Work and Selection.

If copied correctly, when you lift each section, the name of a composer, major work, and selection will be revealed.
