UIL A+ Music Memory

Passport

- The UIL A+ Music Memory *Passport* download includes a set of high-quality study materials designed to help you prepare your students for UIL A+ Music Memory competition...their *Passport* to success!
- Following the *Passport* theme, the materials include original Listening Maps for each selection, along with “GPS Markings” to help you and your students navigate each selection as you listen.
- Also included are detailed Lesson Plans for each selection, along with numerous activities, handouts and more.
- These materials can be valuable not only for Music Memory preparation, but in the classroom as well — a listing of TEKS correlations is included on the CD.
- As of 2023-2024, the grade 2 test includes two tiebreakers. This is reflected on the grade 2 sample test in this year’s edition of *Passport*.
- In short, this download includes everything you need for Music Memory preparation except the music itself. All selections on the Official Music Memory List for 2024-2025 can easily be acquired online through digital music stores such as iTunes or streaming services such as Spotify. The CD includes a link list for recordings available on iTunes and Spotify. Additional instructions on acquiring music is available on the UIL web site:

- The download is Macintosh and Windows compatible. Most files are provided in Adobe PDF format, and some files also include Microsoft Office versions. PDF files can be accessed using Adobe Reader, which is a free download from www.adobe.com. Microsoft Office files are compatible with any current version of Office.
- We hope you enjoy this exciting new edition! Best wishes for a successful year of UIL competition!
