Dear Music Memory Parents,

UIL has created a playlist on Spotify where users can listen to the selections for the 2024-2025 UIL Music Memory contest: <https://open.spotify.com/playlist/6Qg5oNlAA5AnZpEt25COzr?si=c24bf87a49334278>. The QR code below links to the 2024-2025 UIL Music Memory playlist.

Because of minimum age restrictions, we are asking that parents set up a Spotify account at <https://www.spotify.com/us/> so that your student can access the music on your computer. Spotify currently offers a free subscription model that includes advertising, or paid subscription options that are ad-free and have additional features. There is a free web version (so that nothing must be downloaded on your computer), and there are also Spotify apps available for multiple platforms and devices.

The web link above and the QR code will take you to the Spotify playlist, which will be added to your account if you already have one. If you do not already have a Spotify account, it will prompt you to open one.

Please note that the Spotify playlist contains all of the audio files for grades 2-8. Your student will be responsible only for the music for his or her grade level (see repertoire list).
