Dear Region 3 Academic Coaches:

Welcome to the Region 3-5A UIL Academic Meet hosted by A&M Consolidated High School!

We are excited to host this event, which provides students with an opportunity to showcase their academic talents, just as our athletic teams and fine arts programs do. Our goal is to ensure your experience at A&M Consolidated High School inspires your best performance.

We recognize the dedication it takes to prepare your students for success, and we know many of you have traveled great distances to be here. We wish you and your students the best as you aim for top honors and the title of Region Champion. Throughout the competition, be mindful to model respect and sportsmanship, as our students learn as much from our actions as they do from their own efforts.

To our sponsors, coaches, coordinators, and judges: thank you for your invaluable contributions. Your support makes this event possible. May you all enjoy a safe journey back home this afternoon.

Wishing everyone a successful and rewarding competition!

Sincerely,

Mrs. Elder

ATTENTION REGIONAL QUALIFYING ONE-ACT PLAY COMPANIES!!!

OAP Directors and UIL Coordinators,

If you have OAP company members who have also qualified for the Regional Academic Contest in addition to OAP, **immediately email**

***** by Wednesday, April 9 at 3:00 PM *****

Jay Thomas, Regional OAP Contest Manager at JThomas@johncooper.org and Travis Poe, Regional Academic Director at poetut1985@gmail.com.

In the email list all students who have qualified for Regionals Academics and in what events he/she is competing in addition to OAP. Include the following information:

In the subject line of the email include the name of the school and a reference to contest conflicts. For example: Cowtown High School Academic/OAP Conflicts

In the body of the email list all conflicts.

1. Jimmy Smithers – Prose and OAP
2. Sally Johnson – Informative and OAP

Every effort will be made so that the student(s) participates in both events in which they qualify. The possibility exists that a student may have to miss the official OAP rehearsal in order to compete in another event.

**After the 3:00 pm deadline on Wednesday, April 9,
no conflicts will be considered.**

The Regional OAP Contest Manager will release the rehearsal and performance schedule as soon as possible after considering all conflicts.

Contest Schedule

The UIL Academic Conflict Pattern is mandated and will be followed at the Region Meet. If a student earns the right to advance in two events, such as LD and Calculator, he or she will be forced to choose, even if the Region schedule allows for participation. No adjustments will be considered to accommodate a conflict list on the UIL Academic Conflict Pattern.

It is the responsibility of the competitor's coach/sponsor to notify the Alternate Contestant's school next in line and the Regional Academic Director. Poetut1985@gmail.com

A school's LD judge may also judge Extemporaneous Speaking. All speech judges are on standby for their assigned event(s) until all rounds are clear and announced. If a school has qualified all the entries in an event from their district, they must provide an additional judge in that event.

All judges, whether they are a competing coach/sponsor or a judge hired by a school must have a SpeechWire Judging Account BEFORE the contest begins. Regional contest staff will not be able to assist in this process of creating accounts at the region contest. Not having an account is not an excuse for not judging.

In order to create a SpeechWire account:

1. Go to [UIL SpeechWire Guide for Speech Events 2023](#)
2. Scroll to down to page 3 of the Guide
3. In the beige box, look for <https://live.speechwire.com>. This will provide a judge instructions on how to create an account. If a judge already has an account, they need to know their account number in order to utilize ballots. (Judges will need to provide this number on the **Judge Submission Form** found in this packet.) There is a video that provides instructions on how to fill out the ballot. It is highly recommended that you view it.

SPEECHWIRE ACCOUNTS CANNOT BE SHARED.

COMPUTER SCIENCE

For the Computer Science Hands-On, PC2 will be used to facilitate judging. Each team should bring a computer, printer, power strip, power cords, paper and three flash drives (in case there are problems with PC2.) Your computer should be able to access the high school's WIFI. We suggest that each team have "Administrative" access on the computer.

All teams must bring clean laptops to the regional contest. There cannot be any prewritten codes on the computers except for what comes with JDK or Java or IDE defaults. All computers will be checked at the regional site. If a team has concerns with losing codes that are on the machine, do not bring that machine or copy it to a flash drive.

During the programming contest, teams may bring food or water to consume while completing the hands-on portion of the contest.

All teams should have the dry run programmed ahead of time so that contest personnel can test the system on PC squared. A copy of it will be distributed with PC squared if needed. NOTE: If a team is using a school laptop, then the students need to have access to the administrator password or are given the administrator access on that machine in case there are issues with the computer logging into PC square or connecting to the wireless router. If that computer has been used previously with PC squared, then all should be fine.

For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
