UIL REGION IV SPRING MEET 6A-5A-4A
MESSAGE FROM THE UIL SPING MEET DIRECTOR GENERAL

The San Antonio team of workers for the 2025 UIL Spring Meet is looking forward to hosting the event. We ask you to come and enjoy the Academic events and the Athletic events as the young people of Region IV display their talent. One of our priorities is for you to be able to see great competition and for us to protect the health and safety of participants, coaches, directors, and fans. Thank you to all participants and coaches for the preparation you have made for this meet.

The Handbook of rules and guidelines for the Region IV Spring Meet will be posted on various websites. Please see that all coaches, directors, and administrators know that access to this information is on the UIL website and the Northside ISD and North East ISD athletic and fine arts department websites.

I would be remiss if I did not say “thank you” to all those who have provided and prepared facilities for this Spring Meet. Preparation has been made to allow each participant to have an opportunity to perform to their maximum ability within the confines of the rules. Therefore, thank you to all workers and hosts for what you will do to make the UIL Spring Meet in Region IV the best it can be.

8. Fully disclose all scenic elements.

9. Show any unique blocking that could be dangerous to the actor, including stage violence, jumping, falling or acrobatics.
10. Show all guns or swords to the CM for approval.
11. Show the beginning and ending moments of your show.
12. Introduce the company member that will be receiving time warnings backstage. This will happen before your site rehearsal starts.
13. Directors answer the following three questions:
 - a. 7 minute set and strike with the grand drape open or close.
 - b. Choice of upstage masking: back black traveler, mid stage traveler or cyc
 - c. Choice of spike tape color that will be first come first choice. Colors available are blue, green, white, yellow, orange and pink. If you have a different color or corners you are welcome to use them. Please do not ask for a specific color ahead of your rehearsal.

Pre-Programing Lights: You will be able to send in your light cues before your rehearsal to be programmed if you like. Not required, but it will save you lots of site rehearsal time. The following links provided are video instructions for how the light cues need to be filled out and the light cue sheet that needs to be used if you want your lights pre-programmed before your rehearsal time. Please make a copy of the light cue sheet before you start editing it and use this exact light cue sheet when filling out your lights. **DO NOT USE YOUR OWN LIGHT CUE SHEET.** Please send light cue sheets to Nathan Thurman at nthurman512@gmail.com by **April 21rd or before** to be recorded. If they are not sent in by April 22nd then you will run the risk of not having your lights pre-programmed before your rehearsal. If the light cue sheet is filled out incorrectly then you will receive an email asking what needs to be fixed and to have it fixed as soon as possible so that they can be recorded on time. [Light Cue Sheet.](#) [Information about SWHS facility \(lights & Sound\):](#)

Performances: The casts are reminded not to re-enter the auditorium in makeup or costume after their performance. Remind your students they will not be allowed to enter the auditorium while a play is in progress. Plays will perform back to back.

Time Warning Procedures: The stage manager will be giving audible calls from the edge of the SR wings for set, strike and the 60-second start. The stage manager will give the 35-minute warning over the intercom system. Your designated crew member should be on headphones and respond with “35-minute warning received.”

Load Out: If possible, please prepare to load your set out of the scene shop immediately after your performance. You will not be timed when loading from the shop to your vehicle. This will allow for more room in the scene shop as the shows progress during the day.

Sound: If you wish to use our sound system, please bring your music or effects recorded on CD or on an iPod/Phone. There will be a sound technician present to run sound. You may also bring your own adapter from any phone to aux cable.

Unit Set: The approved UIL Unit Set will be available at the contest site. Also available will be two door units and one French door unit.

Makeup/Dressing Areas: A classroom will be provided for each school. There will also be community dressing rooms that are available throughout the day. These are “Actor” and “Actress” dressing rooms that will be open for all companies to use as they see fit. Your dressing rooms will be ready for you when you arrive

Admission to the Performance: Admission will be \$15 at the door. LATECOMERS WILL BE SEATED ONLY DURING THE PAUSE BETWEEN SHOWS. Please let families and friends know this since absolutely no exceptions will be made. Also, in order to maintain the proper atmosphere for enjoying a live performance, we ask you to let your families and friends know that no photographs, flash or otherwise, or videotape may be taken during the performances.

IMPORTANT NOTE: DUE TO SECURITY ISSUES - ALL PATRONS MUST CHECK IN WITH THEIR ID IN ORDER TO ENTER THE CAMPUS. PLEASE PREPARE TO ENTER THE BUILDING AT LEAST 30 MINUTES PRIOR TO THE START TIME FOR YOUR SHOW.

Awards and Critiques: The announcement of advancing plays, the presentation of awards and the oral critiques will follow the last performance as soon as the adjudicator has completed his decisions. **The critiques will happen simultaneously BEFORE the awards ceremony.**

That final performing company will be in the second round of critique so that will give that company about 15 minutes after strike to get ready for critique. After critique time will be given to get changed for the awards ceremony while final tabulations and verifications are made by the contest manager and adjudicators.

LOAD OUT:

During your 7 minute set up you will strike directly to the sidewalk just outside of the shop and then load your bus or truck. Please only use one side of the sidewalk outside of the shop in case there is a delay with your bus or truck. You may also load out after the awards ceremony.

1. Please instruct your driver to not park in the middle of the driveway, park on one side so that cars or another bus or truck can park beside your vehicle if needed.
2. If there is rain, your things will remain in their storage spot until the end of the contest.

CRITIQUE:

1. The first three schools to perform will be the first three schools to be critiqued 15 minutes after the final performance.
2. The last three schools will be critiques after the first round of schools.
3. Critiques will be 15 minutes each.
4. After the final round of critiques are over there will be a brief pause of about 15 minutes before the awards ceremony begins
5. It is okay if the last school attends critique in costume if they do not have time to change after the strike. It's suggested that technicians and alternates load the truck while actors get changed before critique but there will be another brief pause before awards for actors to change if they were not able to before critiques.

BUS AND TRUCK PARKING:

Parking for buses and trucks will be just down the street from the theater at the football field.

BOX OFFICE INFORMATION:

THE BOX OFFICE WILL TAKE CASH ONLY - CREDIT CARDS CAN BE USED FOR THE ONLINE LINK BELOW. \$15 per person admission

All audience members will have to go through an onsite instant background check using their ID. This is Southwest ISD policy.

The following are NFHS Track and Field Rules relevant to pole vault safety:

Rule 7-5-2: The vaulting pole may be of any material and of length and diameter. It may have a binding of not more than two layers of adhesive tape of uniform thickness. However, the bottom of the pole may be protected by several layers of tape, PVC, metal, sponge rubber, or other suitable material to protect it when placed in the planting box.

Rule 7-5-3: The competitor's weight shall be at or below the manufacturer's pole rating. The manufacturers must include on each pole: the pole rating that shall be a minimum of $\frac{3}{4}$ inch in a contrasting color located within or above the top hand-hold position; a 1-inch circular band indicating the maximum top hand-hold position with the position being determined by the manufacturer. Prior to the competition, the Coach must verify that all of the schools' pole vaulters meet these requirements.

7-5-4: A competitor shall not use a variable weight pole, a pole which is improperly marked, or a pole rated below his/her weight, or any other equipment that is not legal during warm-up or competition. **NOTE:** Altering the pole in any fashion renders it illegal. **PENALTY: Disqualification from the event.**

7-5-5: Prior to warm-up, the field referee, head field judge, or assigned inspector of implements shall inspect each pole to be used in the competition to verify that the poles are legal equipment, per Rule 7-5-3. This includes checking the placement of a top hand-hold band, numerical pole ratings a minimum of $\frac{3}{4}$ -inches in a contrasting color located within or above the top hand-hold band, and the proper binding of not more than two layers of adhesive tape of uniform thickness. The binding shall not be on or above the top handhold band.

7-5-23: A competitor shall not be allowed to use the pole of another individual without the consent of the owner. The event judge shall approve the use and verify that the pole is rated weight-appropriate. **PENALTY: Disqualification from the event.**

Rule 7-5-29h: It is a foul if the competitor grips the pole above the top handhold band. **PENALTY: An unsuccessful trial is charged, but not measured.**

100m, 400m Wheelchair Equipment and Racing Standards. Athletes will be expected to compete in their school's team uniform. Reasonable accommodations will be made when necessary. Resources for track and field equipment information can be obtained from the following link:

<http://www.texasregionalparalympicsport.org>

- Manual wheelchairs only for track events, which may be specialized racing chair or an all sport chair.
- The racing chair may have two large wheels (not to exceed 70cm in diameter) and one small wheel (not to exceed 50cm in diameter).
- The racing chair must be manually propelled by pushing on the wheels or the hand rims. The chair shall not be equipped with gears, levers or electronic steering.
- All participants must wear a racing helmet that is a hard protective shell and should meet the safety standards of the American National Safety Institute (ANSI).
- Shoes are not required, however protective socks are recommended.
- All participants must start each event using racing gloves.
- Athletes' lower limb(s) must be secured to the track chair. Any touch of the ground by a lower limb results in disqualification from the event.
- Competitors are responsible for the proper functioning of the competition chair and equipment. Athletes that experience an equipment failure may finish the event; however, no event will be delayed or rescheduled if such an incident occurs.

Shot Put Equipment And Seated Throwing Standards. Athletes will be expected to compete in their school's team uniform. Reasonable accommodations will be made when necessary. Resources for track and field equipment information can be obtained from the following link:

<http://www.texasregionalparalympicsport.org>

- All participants must put the shot from a "chair" (manual wheelchair, throwing chair, power wheelchair). Scooters and "standing chairs" will not be allowed. Chairs may be designed based on the needs of the athlete.
- The upper most part of the cushion/seat on any chair may not exceed 75cm (29.5 inches) measured from the ground. The seat of the chair has to be square or rectangular and flat or sloped backwards.
- The chair may not have any moving parts or articulated joints.
- No part of the throwing frame or wheelchair may be outside of the circumference of the circle.
- The chair will be considered an extension of the athlete's body. For example: Any part of the chair touching the top of the stop board is a foul.
- A coach (only) may assist the athlete in getting to the competition area.
- A coach (only) may assist the athlete in entering and exiting the circle.
- Tie-down straps for the chair are recommended and should be provided by the athlete; however, a coach (only) may hold the chair during the throwing attempt to prevent excessive movement if no straps are available.
- The athlete's body must remain in contact with the seat during the throw.

Frequently Asked Questions.

1. Who is eligible to compete in the Wheelchair Division?

All athletes with a permanent physical disability on file with the school and in grades 9-12 who meet the eligibility standards in the C&CR Subchapter M may be eligible. The mobility of a student participant may or may not include or require the full time use of a wheelchair.

2. Where can athletes with physical disabilities compete?

Wheelchair events may be held at any UIL sanctioned meet. Performances at meets held by groups, including the Paralympic events, could be accepted as qualifying marks for state meet entries provided the performance can be verified with official meet results and/or verification provided by the meet host. Resources for track and field meet event information can be obtained from the link: www.texasregionalparalympicsport.org

3. How does an athlete in wheelchair participate for their high school track and field team?

The athlete must follow the same procedures at their school established for traditional athletes competing in track and field.

4. Can wheelchair contestants compete against traditional athletes in the same race?

Yes, in the 100m and 400m it is recommended that if this occurs the wheelchair athlete is designated to compete in the inside lane. Wheelchair athletes are coached to finish any race by following the curve of the track and need more than 20m to stop forward motion. Boys and girls heats may be combined for competition and separated at the conclusion to determine results and places for each gender and/or division.

5. Can wheelchair contestants compete against traditional athletes in the shot put?

Yes, the wheelchair athletes may be flighted with the traditional athletes for the seated shot put throw. Physically challenged participants may choose to take all throws after entering the ring. The athlete's choice of type of "throwing chair" may determine if this is possible or if the athlete needs to be flighted before or after the traditional athletes.

6. How does a coach enter an athlete in the state meet?

The athlete must be entered into the state meet through an online entry form available on the track page on the UIL website. Performance results will be required in order to complete the online entry process.

7. Can athletes racing on the track receive assistance from coaches or other personnel?

No, athletes may only propel themselves forward through their own pushing of the wheels or hand rims.

8. Can athletes throwing the shot put receive assistance from the coaches or other personnel?

A coach (only) may assist the athlete in getting to the competitive area and may also assist the athlete in entering and leaving the circle. Also, for throwing events, the athlete should provide tie-down straps. When no straps are available, a coach may hold the chair during the throwing attempt to prevent excessive movement.

9. Are the uniform rules in place for an athlete in a wheelchair?

Yes, all uniform rules and regulations are in effect just as with the traditional athletes. Some exceptions may need to be considered and presented to meet officials for clarification.

10. Who is responsible for the athlete's equipment?

The athlete is responsible for needed equipment. Schools may provide equipment and assistance may be available through Texas Regional Paralympic Sport upon request. Resources for track and field equipment
