

Region III-6A UIL Academic Meet

April 25-26, 2025

Foster High School

4400 FM 723

Richmond, Texas 77406

Regional Academic Meet Directors

Kendra Willeby, Lamar CISD, Foster High

kwilleby@lcisd.org

Paul Stroud, Katy ISD, Seven Lakes High School

paulmstroud@katyisd.org

Attention All Region III-5A District
Chairpersons

In order to facilitate entry fee processing, each District Chairperson for districts:

**17-6A, 18-6A, 19-6A, 20-6A
21-6A, 22-6A, 23-6A, 24-6A**

should write one check to cover all academic entry fees for your UIL district.

This year the entry fee is \$3,600 per district.

Make checks payable to: Foster High School

Informative/Persuasive Finals Draw	3:30 PM
Informative/Persuasive Finals	4:00 PM

Information

Hospitality

There will be a full hospitality room available for coaches and judges on both Friday and Saturday. A concession stand will be available on Saturday for competitors.

Drops and Alternates

District Chairs should notify alternates ASAP as they are told of Qualifiers that will not be attending the meet. District chairs should also notify the Region Director BY WRITING at kwilleby@lcisd.org of alternates that have been seated.

Substitutions

The CC&R states that a qualifying team may substitute one team member at the Region level. The coaches of said team should submit a substitution form for the substitution team. This form will be submitted during roll call in the competition room.

Scoring

All coaches will be expected to score their events (for non-writing events). Once the testing period finishes, an announcement will be made for coaches of that event to report to the testing room for scoring. Again, the contests cannot run on time and efficiently if we do not have the help of the coaches.

Awards

Awards will be awarded in the cafeteria (main holding location) after each contest is scored and a verification window has been held.

Accommodations

If you have a student who needs to receive accommodations for their event that is supported by a program such as 504 or IEP, you and your administrator will need to complete the form found [here](#) and submit it to UIL for approval.

Also, if you know that you have a student who will be needing accommodation, please reach out to Kendra Willeby prior to the contest day so that accommodation can be arranged.

Remember that your school is responsible for providing any necessary technology for student accommodation.

Computer Science

For the Comp Science Hands-On, we will be using PC² to facilitate judging. Each team should bring a computer, printer (optional), power strip, power cords, paper, and three flash drives (in case there is a problem with PC²). Your computers should be able to access our WIFI. We suggest that each team have “Administrative” access on the computer.

All teams need to bring clean laptops to regionals. There cannot be any prewritten code on the computers except for what comes with JKD or Java or IDE defaults. All computer will be checked at Region, so if a team is concerned with losing code that is on the machine don't bring that machine or Copy it to a flash drive.

During the programming contest, teams may bring food or drinks to have during the hands on portion of the contest.

All teams will be asked to submit the dry run, given the day of the contest, so that we can test our system on PC squared. A copy of the dry run will be distributed with PC squared if needed. A copy of the dry run has been placed into the Regional Handbook as well.

Please note: If a team is using a school laptop then the students need to have access to the administrator password or are given administrator access on that machine in case there are issues with the computer logging into PC squared or connecting to the wireless router. If you have used that Computer in the Past with PC squared then you should be fine.

Journalism & Ready Writing

- For Journalism and Ready Writing, we will provide a computer lab that has a network printer available. Students will have the option to use the computers provided or to bring their own technology. Students are allowed to compete using paper and pen as well.
- If you are bringing your own technology, you must be able to print your own work by the end of the round.

- All competitors (regardless of whether they are using contest provided or personal technology) must have hit print before the end of time, according to the UIL Handbook.
- We suggest that each participant bring a flash drive in case we need to help that student with printing.

Speech/Debate

Judging

Each school must provide one judge per event they have a student entered in at the Regional Contest.

Each school who has a student who will be competing in either Poetry or Prose is responsible for supplying one speech judge per event.

Each school who has a student who will be competing in either Informative Speaking or Persuasive Speaking is responsible for supplying one speech judge per event.

Each school who has a student who will be competing in LD Debate is responsible for supplying one judge. A school's LD judge may also serve as a judge for another event.

Please submit judges by filling out [THIS FORM](#) by April 14. Judges will be contacted before the meet with more detailed instructions.

Prose/Poetry Documentation

All schools with region qualifiers in Prose and Poetry must resubmit their documentation.

Documentation should be electronically sent to Branson Cobb at branson.cobb@lcisd.org by April 14th at 4 PM. This allows for the Speech staff to check all documentation and leaves time for any issues to be corrected before the contest date.

Please complete and submit the UIL [PROSE](#) and [POETRY](#) form with your documentation. According to UIL all documentation should be typed.

Extemporaneous Speaking Rule Clarification

Please be familiar with the rules regarding Persuasive and Informative speaking in UIL.

The rules for electronic files can be found [HERE](#).

Computer Science Dry Run File Information

0. Dry Run

Program Name: DryRun.java Input File: dryrun.dat

Write a program that reads a list of items from the input file and outputs a message for each.

Input

The first line contains an integer n that indicates how many items are in the input file. The next n lines contain a single word. Each word represents an item that you like.

Output

For each item in the input, output a line stating, "I like <item>.". For example, if the item were cabbage, the program would output the line, "I like cabbage."

Example Input File

```
4
cabbage
contests
judges
everything
```

Example Output To Screen

```
I like cabbage.
I like contests.
I like judges.
I like everything.
```

**UIL ACADEMIC CONTEST
SUBSTITUTE ELIGIBILITY FORM**

Send a copy to each affected contest director.

School _____

School District _____

Conference (check one) 1A 2A 3A 4A 5A 6A

SUBSTITUTIONS AND LATE ENTRIES • See Section 903 in the UIL *Constitution and Contest Rules*. This form must be presented to the contest director before the contest begins. At the conclusion of the meet, the contest director must submit the substitution form or letters to the meet director to be filed with the school’s original online entry information. Late entries will only be made if approved according to Section 903 for district competition or Section 904 for regional competition. In the designated contest an **ORIGINAL** entry will be replaced by the following **SUBSTITUTE**:

CONTEST	ORIGINAL STUDENT	SUBSTITUTE STUDENT
----------------	-------------------------	---------------------------

AUTHORIZATION • As the principal or designated administrator, I certify that the above student is eligible to compete in the contest named in accordance with Subchapter M of the Constitution and Contest Rules.

Designated Administrator _____	Date _____
