

OAP Company Info Lookup for AREA Contest Managers in SpeechWire

Logging in

As the contest director, access your contest management area here:

<https://manage.speechwire.com>

- Find the spot labeled “UIL meets” and click “Log in to UIL meets”.

UIL meets:

- From the “OAP contests” dropdown box, select your contest, then click “Set tournament” next to that dropdown box.
- You will be presented with two boxes, one for your manager username, one for your manager password. Enter your login information in the boxes and then click “Log in”.

Note: Please refer to the contest director information email from SpeechWire to locate your username and password. If you are unable to locate your username and password, please email theatre@uiltexas.org and request it.

If you haven't finished setting up your meet, please return to the setup instructions posted on the UIL website and complete that part of the process: <https://www.uiltexas.org/theatre/online-entry>

If your meet has been setup and you finished the “Start Wizard” tool, you will arrive at the Tournament management page.

If there's a short turnaround from bi-district contests to area, you can look up OAP company information even before bi-district results have been entered and area qualifiers are designated.

To look up the company information for the schools who *COULD* qualify for your area meet, here's what you need to do after logging into your area meet in SpeechWire.

Click on the “Teams” icon.
