(c) DATES FOR PRACTICE AND GAMES.

There shall be no school soccer practices for a contestant or team before or after school from the first day of school until the first Monday after Thanksgiving, and after the date for certifying district representatives, except for teams that have not been eliminated in the playoffs. Refer to Official Calendar for practice and playing dates, and certification deadlines.

(d) NUMBER OF GAMES, SCRIMMAGES AND TOURNAMENTS.

(1) Scrimmages. Schools shall not scrimmage prior to the date set forth by the UIL calendar, not to exceed two scrimmages per week, Monday through Saturday. Scrimmages are subject to the one contest per school week limitation.

(2) Number of Games Per Day. No high school team or contestant shall participate in more than two interschool soccer games per day, including tournament games. Exception: Contestants and teams may play three games in a one-day tournament scheduled on a Saturday.

(3) Total Number of Games. No team or student shall compete in more than three invitational tournaments plus 15 soccer games in a season, including all games prior to the first playoff game. This shall include non-district and district games and games played in pre-scheduled district tournaments. If the district champion has a bye for the first round of the play-offs, that school may schedule a warm-up game in addition to the game limits. This additional game shall be played on a non-school night with no loss of school time. Two games may be substituted in place of a tournament.

(4) Exception To Resolve District Ties.

(A) Two Schools Tied. To resolve a two-way tie, the District Executive Committee may authorize a single elimination game. The tie-breaking game may be in addition to the 15 allowed games provided only one other matched game is played that calendar week. It may not be played as an exception to the school week limitation.

(B) Three or More Schools Tied. If three or more schools are tied, the District Executive Committee may authorize a tournament provided only two matched games have been played that week, using the procedure in Section 1203. These tournament games may be played in addition to the total number of games and tournaments allowed for the season.

(5) Number of Games Per Week; Tournament Restrictions.

(A) Matched Games Only. No high school team or contestant shall participate in more than two matched games (as distinguished from tournaments) per calendar week.

(B) Week of an Invitational Tournament. No team or contestant shall participate in more than one matched game during the calendar week of an invitational tournament.

(C) Week of a District Tournament. No team or contestant shall participate in more than two matched games during the calendar week of a district tournament, including a district tournament authorized by the District Executive Committee to resolve a tie for district championship. To be considered a district tournament, at least three teams shall be assembled at one site for an elimination contest on consecutive days. Refer to Section 1203.

(D) Invitational Tournament Restriction. No team shall participate in an invitational soccer tournament held on a Monday, Tuesday or Wednesday, except on school holidays. However, games in tournaments may be played after school on the last day of the school week prior to holidays.

(E) Exception for Rescheduled Games. District varsity soccer games postponed by weather or public disaster (not including illness) shall be rescheduled on the next date, other than Sunday, on which another district game is not scheduled. In the event weather or public disaster forces the makeup game to be rescheduled, it shall be rescheduled on the next date as described earlier. These makeup games may be played as exceptions to the school week and calendar week limitations. District varsity games that are postponed by weather or public disaster, and not played on the next available date, shall be rescheduled and played on a date determined by the District Executive Committee.

(e) BOYS', GIRLS' TEAM RESTRICTIONS.

No girls' team shall play in a game against a boys' team and vice versa.

(f) SITE OF GAME.

The District Executive Committee, in arranging a schedule within the district, shall determine the site of games in case of disagreement between the two teams.

(g) GATE RECEIPTS FROM STATE TOURNAMENT.

The UIL office retains an annually determined percentage of gate receipts from the state soccer tournament.

- (d) UNATTACHED PARTICIPATION. In any UIL member school sponsored athletic contest, meet or tournament, UIL member high school students shall not be permitted to enter unattached. The penalty for violation of this rule shall be assessed against the member school(s) in violation. This provision applies to a non-enrolled (home schooled) student participating in accordance with section 33.0832 of the Texas Education Code.

Ejections

Coach Ejections

Section 1208 (i): MINIMUM PENALTY FOR MISCONDUCT

(1) Automatic Minimum Penalty. Any coach who is ejected from a contest for unsportsmanlike conduct, or any football coach who is given two or more 15-yard unsportsmanlike penalties during a contest may accept an automatic penalty for their ejection or appeal the ejection. A coach who appeals their ejection is required to appear before the State Executive Committee. If the coach accepts their automatic penalty or their ejection is not overturned on appeal, the coach will be subject to:

- (A) an automatic penalty of public reprimand (name will be published once in the Leaguer) and one year's probation in the applicable sport;
- (B) completing the National Federation of State High School Associations Fundamentals of Coaching Course; and
- (C) completing the National Federation of State High School Associations Teaching and Modeling Behavior Course.

(2) Automatic Greater Penalty. If a coach so penalized has no proof of having completed the UIL Coaches Certification Program prior to the sports season, that coach shall also be automatically suspended from the next game/contest.

(3) Subsequent Violations. Any further ejection or accumulation of two 15-yard unsportsmanlike penalties during a football game while on probation, will require the coach to appear before the State Executive Committee for consideration of penalty.

(4) Notification. Schools shall notify the UIL within three school days if a coach has been ejected from a game or received two 15-yard unsportsmanlike penalties.

Player Ejections

Player Ejection – Section 1208 (i) (5):

(5) Player Ejection. Any player ejected from a contest is subject to an automatic penalty. The automatic penalty for such an ejection is as follows:

- (A) Football. Ejected player misses the rest of the game in which they were ejected plus the first half of the following game. (Exception: Disqualification/ejection as a result of a targeting foul does not require the player to miss the first half of the following game.)
- (B) Other Team Sports. Ejected player misses the rest of the game in which they were ejected plus all of the following game. Soccer exception. This Section does not alter the current point penalty structure for soccer player ejections, as required by National Federation of State High School Associations soccer playing rules, that is outlined in the soccer coaches' manual.
- (C) Appeals. The UIL Executive Director may develop a process for appealing student ejections.

**Player ejections cannot be overturned by a game official and/or chapter. If a coach has a question following a contest with a player ejection, the coach should contact UIL.*

Charitable Cause Guidelines. The UIL has received numerous requests from member schools to support various charitable causes in conjunction with high school athletic events. The UIL is supportive of these initiatives and has developed guidelines in regard to an athletic competition being held in the name of a charitable cause.

Schools may host a contest in recognition of a charitable cause under the following conditions:

1. The contest of competition may be held during any one week of the designated sport season (to be determined by each individual school).
2. If NFHS or NCAA rules allow, non-school colors can be worn upon mutual agreement between opponents. (ex: pink uniforms)
3. A commemorative ribbon of non-school color may be worn on the jersey or school-issued uniform.
4. Officials may be allowed to use a colored whistle or modified uniform in accordance with UIL guidelines.
5. Colored game balls will not be allowed, however they may be used during any warm-up period prior to the contest.

REGULAR SEASON

Contest Scheduling

Contest Scheduling Rules

The following section combines State Law, State Board of Education regulations, and UIL rules regarding scheduling and participation in a contest.

- **One contest per school week:** According to State Board of Education mandates, students may only participate on one day per activity during the school week. School districts shall ensure no more than one contest or performance per activity is scheduled per student.
***Exception:** Tournaments and post-season competition may be scheduled as an exception to the school week limit. As well, district varsity contests postponed by weather or public disaster, if they are rescheduled and played on the next available date, other than Sunday, on which another district match is not scheduled. Junior varsity, freshman and junior high teams may not play postponed matches as an exception.
- **TEA and Participation:** The Texas Education Agency defines participation as being involved with the activity, traveling with the team, or sitting on the bench. Example: On a Tuesday night, the student's name is on the scorebook, but she remains on the bench and does not actually enter the game. This counts as participation for TEA but not UIL, this student would not be able to participate again until after school on Friday, per TEA regulations.

- **UIL and Participation:** UIL defines participation if a student athlete entered the contest as a player. In the example above, the contest does not count as one of the allowable games as determined by UIL policy.

Definitions:

- **Calendar week** means 12:01 a.m. on Sunday through midnight on Saturday.
- **School week** means the week beginning at 12:01 a.m. on the first instructional day of a calendar week and ends at the close of instruction on the last instructional day of the calendar week, excluding holidays.
- **Post-district play** means competition in UIL playoff series or contests such as bi-district, area, regional, etc.

Holiday Restriction (Section 1206 of C&CR)

(l) HOLIDAY RESTRICTION. A school shall not conduct contests or practices, use school facilities, personnel or equipment during five consecutive days of December. Any organized or required practice will be a violation of this regulation. Schools may choose any five consecutive days which include December 24, 25 and 26, with the following exceptions.

- (1) When December 26 falls on a Thursday, schools may participate in a tournament game on December 26.
- (2) When December 26 falls on a Thursday, schools shall still follow a five-consecutive day restriction, including December 24 and 25.
- (3) No practice shall be permitted on any of the five consecutive days.
- (4) Travel is not permitted on December 25.
- (5) Travel is permitted on the 26th if a tournament game is scheduled on December 27; however, no practice shall be permitted on the 26th.
- (6) A team that has a game on December 23 could travel home on December 24 and still be in compliance with this section.
- (7) A school may request an exception to these travel restrictions when safety concerns exist relative to travel. The UIL Executive Director, or his or her designee, may grant the exception only when the school has clearly provided evidence of the travel safety concerns and determines the school cannot reasonably be expected to comply with these restrictions.

Number of Contests allowed (2023-24)

- 1 Tournament and 19 games or

Double Header. A student may play in a varsity and a junior varsity game or a ninth grade and a junior varsity game at the same site, the same night. It counts as the two total games the student may play for the calendar week and two of the total games for the season. Students may not play in a tournament the same week as they play in a double header.

Basketball and Soccer:

(1) A single game; or

(2) a double header (a student may play in a varsity and a junior varsity game or a ninth grade and a junior varsity game at the same site the same night).
