(5) First Two Weeks of Season. During each of the first two calendar weeks allowed for matches on the UIL Official Calendar, teams or students shall participate in no more than three matches (or dual matches) plus one tournament. The second and third match of the calendar week shall be after the last instructional day of the school week if school is in session.

(6) Remainder of Season. After the first two calendar weeks allowed for matches, teams or students are limited to no more than two matches (or dual matches) during each calendar week, plus one tournament. The second match of the calendar week shall be after the last instructional day of the school week.

(7) Beginning First Day of School. On and after the first day of school, teams are limited to no more than one scrimmage, match or dual match during the school week. (3) Total Number of Games, Matches, Tournaments. No team or student shall compete in more than three invitational tournaments plus 23 matches in a season, including all matches prior to the first playoff match. This Section does not alter the current point penalty structure for soccer player ejections, as required by National Federation of State High School Associations soccer playing rules, that is outlined in the soccer coaches' manual.

(C) Appeals. The UIL Executive Director may develop a process for appealing student ejections.

**Player ejections cannot be overturned by a game official and/or chapter. If a coach has a question following a contest with a player ejection, the coach should contact UIL.*

REGULAR SEASON

Contest Scheduling

Contest Scheduling Rules

The following section combines State Law, State Board of Education regulations, and UIL rules regarding scheduling and participation in a contest.

- **One contest per school week:** According to State Board of Education mandates, students may only participate on one day per activity during the school week. School districts shall ensure no more than one contest or performance per activity is scheduled per student.
***Exception:** Tournaments and post-season competition may be scheduled as an exception to the school week limit. As well, district varsity contests postponed by weather or public disaster, if they are rescheduled and played on the next available date, other than Sunday, on which another district match is not scheduled. Junior varsity, freshman and junior high teams may not play postponed matches as an exception.
- **TEA and Participation:** The Texas Education Agency defines participation as being involved with the activity, traveling with the team, or sitting on the bench. Example: On a Tuesday night, the student's name is on the scorebook, but she remains on the bench and does not actually enter the game. This counts as participation for TEA but not UIL, this student would not be able to participate again until after school on Friday, per TEA regulations.

- **UIL and Participation:** UIL defines participation if a student athlete entered the contest as a player. In the example above, the contest does not count as one of the allowable games as determined by UIL policy.

Definitions:

- **Calendar week** means 12:01 a.m. on Sunday through midnight on Saturday.
- **School week** means the week beginning at 12:01 a.m. on the first instructional day of a calendar week and ends at the close of instruction on the last instructional day of the calendar week, excluding holidays.
- **Post-district play** means competition in UIL playoff series or contests such as bi-district, area, regional, etc.

Scrimmages. A scrimmage is a meeting of no more than four teams for practice purposes, which does not count as a match for any of the teams. Admission may be charged. Officials may be paid in accordance with the schedule in Section 1204 (m) and may, by prior agreement with the school, be reimbursed for mileage and meals.

- Volleyball teams may play unlimited scrimmages, with no more than four teams, prior to school starting.
- Once school begins teams are limited to one scrimmage during the school week. Schools may also participate in an additional scrimmage, with no more than four teams, at the end of the school week (Friday after school or Saturday).
- No scrimmages may be played after a team's first interschool game.
- If more than four teams are invited to a scrimmage, each team may only scrimmage three different teams.

Allowable Contests & Match Regulations

Allowable Contests

- Number of Contests allowed (2024-2025)
 - 0 Tournaments and 29 Matches or
 - 1 Tournament and 27 or
 - 2 Tournaments and 25 Matches or
 - 3 Tournaments and 23 Matches

UIL/TEA Side-by-Side. UIL limits participation in contests per calendar week in some sports. For UIL, participation is defined as a student actually entering a contest. Example: On Tuesday night, the student's name is on the scorebook, but the student remains on the bench and does not actually enter the game. This does not count as participation in a UIL contest according to UIL (but does count according to state law. The student cannot participate again until Friday after school). The Tuesday game does not count as one of the games UIL permits the student to participate in for that calendar week or for the season because the student did not enter the game.

Matches.

- A team or individual may only play one match (or dual match) during the school week Monday (12:01 am) through Friday (after school). This means that if a team competes once Monday through Thursday, the second competition must be after school Friday or Saturday.
EXCEPTION: See exception under Contest Scheduling Rules.
- Teams or individual(s) are limited to two matches (or dual matches) per calendar week (Monday through Saturday) plus an invitational tournament.

- Three matches may be played during the first two calendar weeks allowed for matches (according to the official UIL calendar). If school is in session, the one contest per school week rule must be followed.
- A team or individual may play up to, but not exceed, three matches per day. There is no required rest break between matches. EXCEPTION: Tournaments – teams may play four matches in a 2 or 1-day tournament.
- Two matches may be substituted in place of a tournament. Pre-scheduled district tournaments must count as one of the invitational tournaments unless all matches played in the district tournament are counted in the season match limitation for all schools in the district.

Playing Rules. The current National Federation Volleyball Rules shall govern League volleyball. Rulebooks may be ordered from the National Federation customer service office (800-776-3462) or www.nfhs.org. Schools may obtain scorebooks, court diagrams, lineup sheets, and libero tracking sheets from the National Federation.

Single Match. A single match shall be defined as: NFHS Rule 1-2-1, 2, 3

- Art. 1...A match shall consist of the best three-out-of-five sets. The first team to win three sets shall be the winner of the match. The fourth and fifth sets shall not be played unless it is necessary to determine the winner of the match.
- Art. 2...A match shall include a let serve.
- Art. 3...A match shall entitle each team a maximum of two time-outs per set.

NOTES:

- By state high school association adoption, teams may play a best two-of-three set match in which a team is considered the winner of the match when it wins two sets. All sets shall be 25 points (no cap). The third set shall not be played unless it is necessary to determine the winner of the match. If a third set is necessary, a coin toss shall be conducted prior to that set.
- By state high school association adoption, modification of format is permitted for series other than dual varsity matches.

Dual Match.

- In a dual match, a team plays two other teams or plays the same team twice (same competition level). At the same site, the same day.
- A dual match counts one of the two matches UIL permits students per calendar week and counts as two of the total matches for the student per season.
- Example: A team could play a dual match (two varsity matches) on Tuesday and then again on Friday, in addition to a tournament on Thursday-Saturday or Friday-Saturday.

Double Header.

- In a double header a student may play in a varsity and a junior varsity match (or a ninth grade and a varsity match) at the same site the same night.
- A double header counts as the two allowable matches UIL permits the student for the calendar week and counts as two of the total matches for the season.
- Students could also play in a tournament the same week they participate in a single match or double header.
- Example: If a student plays a double header on Tuesday, they would be finished with their matches for the calendar week and would only be allowed to participate in an invitational tournament the remainder of that week.

Volleyball Tournament Regulations

Tournaments. A tournament consists of at least three teams assembled at one site for competition.

- Schools shall not schedule tournaments on Monday, Tuesday, or Wednesday, unless school is not in session. Schools may schedule tournaments on Thursday, Friday, and Saturday.
- Tournaments may be scheduled on non-consecutive days. A two-day tournament shall not be scheduled on Thursday and Friday. A one-day tournament must be held on a Saturday.
- Three matches per calendar day are allowed in a three-day tournament.
- Four matches per calendar day are allowed in a one-day tournament scheduled on a Saturday only or a two-day tournament scheduled for Thursday/Saturday or Friday/Saturday.
- A tournament may be played during the week in which there are two matched contests being played (ie. matches on Tuesday/Friday and a tournament on Thursday/Saturday).
- A double round robin elimination tournament shall not be used in any League contest except by unanimous consent of participating schools.
- A tournament must be held at the ISD of the host school, or at an adjoining ISD. Host schools may authorize additional sites other than same or adjoining ISD for preliminary round games.

Pool Play. A team may play in pool play during the first rounds of a tournament provided the pool games consist of two "mini games" using rally scoring 0-15 (cap at 20) OR regulation and modified regulation 2-out-of-3 matches using rally scoring 0-25 (cap at 30).

- Pool play utilizing "mini games" format will count all mini games played in a day as one of the three (or four) allowed matches per day. "Mini games" do not count on the overall win/loss record for the season.
- Pool play utilizing regulation and modified regulation 2-out-of-3 match format, each match will count as one of allowed matches per day (3 matches in a 3-day tournament) and (4 matches in a 1 or 2-day tournament).
- Modified 2 out of 3 format – all three sets (if needed) should be played to 25 points.
- Participation in pool play is counted as a tournament. The win/loss record from pool play may be used to create a single elimination bracket.
- When two or more teams are tied in win/loss percentage, two steps should be taken to determine the winner.
 - The team that defeated the other in head-to-head competition will be the winner. If each team won one game in a two-game pool, the team that had fewer points scored against them in both games would be the winner.
 - If a tie remains, a coin flip(s) would determine the winner(s).

Volleyball Tournament Regulations Chart

District Certification

- The DEC shall determine the place and/or time of matches in case of disagreement between two schools.
- If not previously scheduled, a district executive committee may authorize a single elimination match or tiebreaker tournament to resolve district ties. A one-match play-off could break a two-way tie. A tournament could resolve a tie between three or more schools.
- Tie-breaker matches (two teams tied) must be held in compliance with calendar week and school week restrictions.
- Tie-breaker tournaments (three or more schools tied), if held on more than one day, must be held on consecutive days. Can be played on Thursday.

- NOTE: These matches must be completed by the district certification deadline and will not count against the allowable matches if not previously scheduled.
- If the district executive committee schedules any other matches or tournaments as part of their method for determining play-off representatives, the matches played must count in the match or tournament limitation.
- The State Executive Committee shall have jurisdiction in all disputes arising between districts. Districts must be certified by 11:59 p.m. on the certification deadline date.
- [Link for instructions to certify district representatives.](#)

Videotaping/Filming

Non-Conference and District Contests. Videotaping/Filming by Schools.

- It is a violation to film or videotape a non-conference or district athletic contest in which your school or team is not competing unless prior consent of the two schools involved has been obtained.
- A school does not have to obtain permission to film or tape a NON-CONFERENCE OR DISTRICT contest in which it is competing. However, the film or videotape shall not be utilized until after the contest has been completed.

- If a “pep” band does perform the following guidelines should be followed to ensure a full appreciation of the group’s performance. Performances by the pep band should be limited to appropriate times listed below:

 - The band may play during time outs and in between sets of the contest.
 - The band may play at the end of the contest if desired.

POST-SEASON

Playoff Information

Certification of District Representatives. The last date for certifying the district representatives to the League office is November 2, 2024. It is mandatory that the District Chair certifies the district representatives on the UIL website. [Volleyball District Certification Instructions.](#)

Teams Advancing to the Playoffs.

Conference 1A - three teams will advance to the postseason

Conference 2A-6A - the top four teams from each district advance to the playoffs. The two advancing schools with the largest enrollments, as submitted in October 2023 are bracketed into Division I and the other two schools are bracketed into Division II, with both divisions playing for separate state championships.

***During the postseason, there is an exception to the school week limit of one game. (ie.- Teams can play Monday/Tuesday and play again on Thursday).*

UIL Playoff Reporting Forms. Coaches are required to submit playoff results immediately following their contest. The winning school should submit playoff game results and next round information via MaxPreps through the assigned coach/admin account. The score reported by a coach on a team's page will automatically fill in the bracket. The completeness of the data presented on the UIL Texas Scoreboard will be dependent upon the participation of schools and coaches. For more information, please see <https://www.uil texas.org/athletics/uil-maxpreps>

Bi-District Match-ups. Once all DEC Chairs have submitted final district standings, bi-district playoff matchups will automatically be created and appear on the bracket once UIL publishes. Please do not create you bi-district match-up in your MaxPreps account. Once you see the match-up on your schedule in MaxPreps, please add game details (date, time & location).

Team Information & Pictures. Teams winning the regional quarterfinal game must submit the following materials to the UIL no later than Wednesday, November 13, 2024.

- Team Information Form (list of players, coaches, etc.; and list of all games played) – fill out online on the UIL website at <https://www.uil texas.org/forms/team-info-volleyball>.

Neutral Sites: A site mid-point or near mid-point, or a site agreed on by both schools as neutral, is a neutral site. Unless mutually agreeable, a site cannot be neutral if its distance from either school is more than two-thirds the total distance between the schools.

Home Sites: When two schools flip for two separate sites other than their home field or court, the sites are considered home sites unless both sites are near mid-point.

Mid-Point Sites: Unless mutually agreed otherwise, post-district contests in the team sports of baseball, basketball, soccer, softball, team tennis, and volleyball shall be a mid-point site for schools located more than 100 miles apart.

Warm-up Games. Teams that have advanced to the playoffs may schedule a warm-up game after the District Certification Date that is set by the UIL calendar and before their first playoff game if a team has not reached their allowable season limit.
