

UTPD Suggested Bus Parking

Below are a few locations that UTPD direct the buses to park on the city streets that have (space-available) room for bus parking:

- 18th Street between San Jacinto and Congress (the north curb is actually signed for bus parking and both school & charter buses are consistently parked.)
- Comal Street between MLK & 12th Street (parking doesn't go all the way down to 12th Street, but that's the general vicinity) where the cemetery is.
- Trinity Street between 12th & 15th Streets (must exit 12th Street from IH35 and go northbound on Trinity – it is a one-way street.)
- There is City of Austin meter parking on Red River by the soccer/track stadium – doesn't specify no bus parking but does require payment at the meters.

Attached is a screen shot with the areas on the campus-side of IH35 (west side) that may assist you with identifying the parking locations mentioned. These are City of Austin streets and not controlled by UT or the UIL.
