The purpose of this handbook is to improve your understanding of the duties of the District Executive Committee.

Dear District Executive Committee:

I cannot place enough emphasis on the importance of your role in the grass roots administration of UIL activities. Please review the following information at the beginning of the year and take this document, the Side-by-Side Manual, the UIL Constitution and Contest Rules, and a manual for the sport(s) you will be considering with you to your meetings. We appreciate your time and work in serving the student athletes within your UIL competitive district. Best wishes for a successful UIL year.

Please do not hesitate to ask if you have questions.

Organizing First DEC Meeting

CALL TO ORDER/ELECTION OF DISTRICT CHAIR-

1. Per Section [28 \(c\)\(1-3\)](#) A temporary chair, either last year's Chair or a temporary chair appointed by the Exec. Director, shall call a business meeting to organize the district.
2. Adoption of Meeting Rules – Temp. Chair shall announce that the meeting will be conducted under the UIL Constitution and Contest Rules.
3. Temporary Chair shall seek a motion for adoption of the Agenda.
4. Temporary chair shall conduct a roll call to determine if a majority of the representatives of the district's member schools are present. (See [Section 28 \(b\)](#), Composition, regarding school representatives. A majority of the members of the District constitutes a quorum).
5. Once a quorum is established, the temporary Chair shall call for nominations and conduct an election for the District Chair position based on the majority vote of the members in attendance (the quorum).
6. Upon conclusion of the election, the person elected as District Chair shall assume the office and conduct the remainder of the meeting.

REVIEW OF RELEVANT SECTIONS OF THE UIL CONSTITUTION AND CONTEST RULES

7. Chair shall review Section [21, 28, 29, 33, 1203](#) of the Constitution and Contest Rules to familiarize committee members with these provisions. These are the primary sections that cover the duties/jurisdiction of the DEC.
8. Chair shall specifically review the DEC training requirements. DEC training requirements will be posted on the UIL website. All members must go through the Attorney General's Open Meeting Training which is available online through the Texas Attorney General's website.
9. Chair shall specifically review DEC financial reporting requirements. Chair will also review the rule regarding Executive Secretary's should the DEC consider having a non-member perform tasks for the District.

DISCUSSION OF DISTRICT SCHEDULE, FEES AND RELATED MATTERS

CONSIDER PROCESS FOR REVIEWING/APPROVING PAPP'S

11. Chair may open discussion to consider the process for approving PAPP's if certain circumstances are met. A DEC may adopt a process by which the Chair or other designated member of the DEC may review PAPP's and if a hearing is not required based on UIL rule (See Section 443 (e)) or the answers on the PAPP and no member has requested a hearing on the PAPP, the Chair or designated member may deem such PAPP's as approved and no committee action is required.

ANNOUNCEMENTS

12. These should be limited to announcements regarding future events/meetings, such as the date of the next DEC meeting or other upcoming events that are of interest to member schools and the public.

CHAIR CONFIRMATION FORM

It is important that the new Chair of each DEC visits the UIL website to submit a confirmation form, and that each DEC chair is registered in the UIL Portal. More information can be found on the website:

UIL Coaches Certification Program (CCP)

The Legislative Council approved the UIL Coaches Certification Program (CCP) that is required for coaches and athletic trainers of grades 7-12.

The CCP includes information from the UIL *Constitution and Contest Rules* (C&CR) and incorporates a section devoted to ethics and sportsmanship to replace COPE.

The CCP also satisfies the state requirements for safety training and steroid education. The CCP, available on the UIL web site, provides a single source for athletic coaches and trainers to understand UIL rules.

As required by Section 1208 of the UIL Constitution and Contest Rules, all coaches shall complete the Coaches Certification Program prior to their sport season.

Section 1203(j): DUTIES OF ATHLETIC DEC

(j) EDUCATION REQUIREMENT. Annually, at least one member of each UIL District Executive Committee for basketball shall complete training designed by the UIL on the policies and procedures outlined in the District Executive Committee Handbook.

Section 1208: ATHLETIC REGULATIONS

(h) UIL COACHES CERTIFICATION PROGRAM.

- (1) All coaches shall annually complete the UIL Coaches Certification Program prescribed by the UIL prior to their sport season or prior to the first day of school if their sport is not in season. A coach who is hired less than one week prior to the start of the sport season or after the first day of school (whichever is earlier) must complete the CCP within thirty (30) days of being hired.
- (2) The names of coaches who complete the UIL Coaches Certification Program will be kept on file by the school.

UIL PORTAL

The online system is powered by Sportline Software through the use of Aktivite and offers user-friendly access and improved school administrative functions.

Required DEC Financial Report

Section 28(n), UIL Constitution and Contest Rules now requires each District Executive Committee or administrative equivalent (Region in Music) to submit a financial report on a form approved by the Executive Director and the chair of the Legislative Council by June 30th of each year. The online DEC reporting form will collect information showing receipts and disbursements for each district contest or event that was held over the course of the school year along with any of the district's account balances and other pertinent financial information.

Please contact Dr. Kevin Jones if you have questions or concerns. (A copy of The Financial Reporting Form - the official report must be submitted through the [online form](#)).

II. HEARINGS

REQUIRED PROCEDURES FOR DEC HEARINGS

Required Procedures for DEC Hearings

The following guidelines apply to a DEC hearing regarding an alleged violation of UIL Constitution and Contest Rules (C&CR). In case of any conflict, state law and League rules control over these guidelines. These are guidelines are general and not meant as a substitutes for legal advice on a specific issue.

The following resources are provided online: <https://www.uiltexas.org/policy/dec/required-procedures>

***DEC Agenda Template (for public)**

***DEC Minutes Template**

***DEC Notice of Hearing Template**

*** Notes (Script) for DEC Chair**

Agenda and Open Meetings –

Prior to any meeting, a district executive committee should post an agenda that complies with the Texas Open Meetings Act (Chapter 551, Tex. Gov't. Code) (the Act). The notice must be posted at least 72 hours before the scheduled meeting. The agenda should be posted at the physical location of the meeting and, for each school in the district, posted in the same location where a school's board would post an agenda.

1. The agenda must contain the date, hour, place and subject of each meeting. While the amount of detail required in an agenda may vary depending on the facts, the subject of the posted notice (the agenda items) has to be sufficient to alert the public, in general terms, of the subjects that will be considered at the meeting. Broad terms such as “old business” or “litigation matters” by themselves are usually not sufficient. Generally speaking, the more important a matter is to the community, the more specific the posted notice must be. A template for DEC agendas is attached. See DEC Agenda template below The DEC Agenda template, however, is merely a tool and cannot account for the particular facts of each meeting and the exact language that should be used in a posted agenda.

The Hearing-

1. Complaints or protests to a district executive committee that make allegations that UIL rules have been violated by schools or persons within the committee's jurisdiction can be received from a school that is self-reporting, a participant school or an individual as set forth in Sections 53, 54 and 55 of the C&CR.

2. As a general rule, before proceeding with an investigation into an allegation or protest, it should be determined as a threshold matter whether the allegation or protest made actually raises a possible violation.

3. A member school district and its school shall respond to a request for records from a district executive committee with jurisdiction over the matter in question. Schools should make every reasonable attempt to cooperate with any district executive committee inquiry. A hearing should only be held in cases where an initial investigation raises facts that if true would be a violation of the Constitution and/or Contest Rules.

1 Section 551.051 of the Tex. Gov't. Code (the Act) states “A school district shall post notice of each meeting on a bulletin board at a place convenient to the public in the central administration office in the district.” Section 551.056 of the Act requires school districts, among other entities, to post notice on their internet websites. DEC's are not school districts, however, because current Open Meeting Law does not specifically account for DEC meetings, tracking what school districts do and applying those requirements of the Open Meetings Act to the DEC meeting context suggest that this is the best approach until a more specific statute is enacted.

4. When conducting a hearing concerning allegations against schools, school employees or students that League rules have been violated, a district executive committee should:

(a) Timely post a proper agenda 72 hours in advance that gives the public notice of the hearing;

(b) Also, at least five-business days before the hearing, the DEC should provide notice of the hearing to the student, school employee or representative of a school alleged to be in violation of UIL rules. In cases in which students are alleged to be in violation notice should be sent to the student and his or her parent(s) at the current address that the school the student attends has on file. In cases where a school employee or the school itself is alleged to be in violation, the notice should be sent to school personnel or a school representative at the current address of the school. See notice of hearing template, below.

The notice should include –

- 1) Time, date and location of the hearing and the DEC chair's contact information;
- 2) The alleged rule violation that will be considered;
- 3) A copy of any documents or other evidence that the DEC may consider at the hearing, including any relevant Prior Athletic Participation Forms (PAPF's);
- 4) A list of persons who, to the best of the DEC chair's knowledge, are expected to testify at the hearing
- 5) Absent sufficient evidence to the contrary, notice to a student is deemed received if sent via US mail or by private carrier to the last address on file for the student's parent(s) at the school attended by the student in question. Notice may be sent by email to a school or school personnel using a school email address. Notice to a student and parent(s) may be sent by email if the school the student currently attends has a policy that provides for notices to be sent to students and/or parents by email in lieu of regular mail.

(c) If the student or parent is unable to attend the hearing, notice must be provided to the DEC chair as soon the conflict is known. The DEC chair may reschedule the hearing for good cause shown. However, in eligibility cases where the student and parents are, after being given notice, unable to attend a hearing as originally scheduled, a student may not participate in varsity competition until a DEC hearing is held and a decision reached. Postponed hearings shall be reset as soon as practical.

(d) Minutes or a recording must be made of all DEC meetings. If minutes are taken, they must include the subject of any deliberation and indicate every action taken.

(e) Generally speaking, absent specific authorization under the Open Meetings Act, a DEC should not go into a "closed" or "executive" session when conducting a hearing or any other DEC business. Students and parents should be allowed to hear all deliberations and discussion by the DEC regarding their case. The simple fact that someone is uncomfortable with the topic being discussed is not grounds for going into closed session.

(f) All votes by the DEC must be taken and recorded in an open session. Each participant or member school in a district has one vote. Committee members may not vote or participate in the hearing, except as witnesses, in cases where their school (or a school representative) is involved by:

1. presenting a formal protest or evidence or argument of an informal protest;
2. making a report of a violation;
3. being charged with a violation;
4. being the school that the student in question is leaving or is moving to.

(g) Students and their parents, school employees and representatives of schools that are the subject of a DEC hearing must be allowed an opportunity to tell their side of the story by giving testimony, providing documents or other types of evidence and calling other witnesses who have knowledge of relevant facts.

(h) Parties appearing before a DEC may represent themselves or be represented by legal counsel if they desire. However, an attorney's role is limited to advising their client(s), opening and closing statements on behalf of clients, requesting that the committee pose certain questions to witnesses and summarizing his or her client's position.

(i) While formal rules of evidence and procedure do not apply, a DEC Chair may limit or expand the time of the hearing and otherwise manage the hearing, including limiting repetitive or irrelevant testimony and other extraneous evidence, for purposes of efficiency and fairness.

(j) A district executive committee shall take testimony from witnesses as provided for in these guidelines in a question and answer format between committee members and witnesses and review any documents or other tangible evidence presented to it. Each party shall have the opportunity to make opening statements and the party in question shall also be given the opportunity to make a closing statement. No witness shall be cross-examined by another party or person representing another party.

(k) The order of presentation of witnesses and documentary evidence in a hearing shall generally be as follows:

1) Student and parents or school employee or representative(s) of school alleged to be in violation of rules (party in question);

2) In student eligibility cases involving a change of schools, as determined by the Chair, the representatives of the "sending" school (the school the student left) followed by representative of the "receiving" school (the school the student now attends/wishes to represent.)

3) Any other persons with knowledge of relevant facts.

4) The panel Chair may change the order of appearance for purposes of efficiency and fairness.

(l) The process set out in these rules does not create a property interest or any other legal interest or rights that a person or organization does not have under law absent this process.

(m) Except as provided otherwise by law, failure by a DEC to follow a particular procedure as set out herein, does not automatically nullify the DEC's decision. However, unless the DEC has final jurisdiction on a matter, such errors may be raised as part of an appeal made to the State Executive Committee.

(n) After announcing its decision on a case that may be appealed to the State Executive Committee, a district executive committee chair shall inform the parties, student and parents or school employees or any involved schools, that the case may be appealed to the State Executive Committee and provide the parties the physical and email address of the University Interscholastic League (UIL) Director of Compliance.

HEARINGS (AA-DD)

(The following notes apply/can be adapted for all hearings.)

“ We will now move forward with the hearing(s) listed on the agenda. At this time, will everyone who intends to testify in the hearing(s) we are about to hold, please rise and be sworn in?”

“Do you solemnly swear or affirm that the testimony you are about to give is the truth, the whole truth and nothing but the truth?”

“Thank you and please be seated.”

“Before we get started with the case(s) on the agenda, I want to go over the process we will follow today and just remind the parties of a few important points. This is not a formal legal proceeding and the formal rules of evidence do not apply. As chair, I will make any necessary rulings on matters of evidence and procedure. All questioning will be done by the committee. Any party is free to ask the committee to question another party or witness about a relevant issue. As the time allotted for this hearing is *(amount of time)*, please refrain from repeating points that have already been made and otherwise injecting irrelevant matters into the hearing process. It is expected that all participants in this hearing will conduct themselves in a polite and civil manner.”

- *(If the parties are represented by legal counsel)*

“I note that *(name of the party)* has legal counsel. Generally, during these hearings we prefer to have to as much direct interaction with the parties as possible. Counsel is reminded that their role is limited to providing advice to their client(s) during the course of the hearing; requesting that the committee pose certain questions to the other party or witnesses and making opening and closing statements on behalf of their clients. Neither counsel nor either party is to attempt to question or cross examine the other party or make objections while a witness is testifying.”

“The order of presentation will be as follows:

The party alleged to be in violation¹ of the UIL Constitution and Contest Rules will be allowed to go first and give an opening statement and to present to the committee any documents or other tangible evidence that it wishes the committee to consider. Also, a member of the committee may ask questions of the party during this time or at any time during the hearing.”

“We will then hear from the involved school(s) starting with the school that *(name of school the student in question has moved to)* or *(was involved in the incident in question)*.”

“As a reminder, schools that are involved in a particular case cannot participate in the hearing except as witnesses and cannot vote.”

“After the parties have had their opportunity to present their respective positions, I will ask if there are any other persons who are in attendance and wish to testify before the committee. Everyone should have already been sworn in at this point but, if not, we will swear you in when you come forward to testify.”

“After the committee hears from any other witnesses that may wish to testify, I will ask *(name of the party alleged to be in violation of the rules)* to come forward and give any additional testimony or other evidence they may have and, if they so choose, make a closing statement to the committee. This will conclude the presentation of testimony and other evidence to the committee.”

¹ A student, school employee or school that is before the committee to respond to allegations of UIL rule violations is also referred to in these chair notes as “the party in question” or similar language.

“Following the conclusion of testimony, the committee may discuss the case further if the members so desire. After ending discussion, we will take a vote on whether or not a violation occurred and, if we find that a violation did occur, we will consider and vote on a penalty.”

“This is basically how the hearing will go, are there any questions before we get started?”

“I will now call the *(first, second, etc.)* case that we will hear today.”

- *(Read the style of the first hearing posted on the agenda.)*

(Example –

AA. *Bugtusle High School: Decision Regarding Eligibility of Student Athlete, Alleged Violation of Section 443, Changing Schools for Athletic Reasons. (if applicable “The student in question is (name of student).”)*

“Would the *(name student and parents or representative of the school or school employee in question)* please come forward and state your name(s) for the record?”

“Thank you. I want to make sure that we are all on the same page, you are here because allegations have been made that *(what the student/school/school employee had allegedly done to violate the rules – for ex. you moved to Bugtusle High School for athletic reasons.)*”

This is the time when you may make any opening statement that you wish to make. You may also present the committee with any documents that you want to be considered.” *(As noted in the Hearing Notice template and DEC Handbook, each party should bring enough copies for each committee member to have a copy and at least two additional copies to share with other party and witnesses if needed.)*

“Please be aware that the committee will also consider the documents and any other items mentioned and attached to the notice of hearing that was sent to you along with whatever evidence is presented today at the hearing.”

“Please proceed with your opening statement.”

- *(Often a party will have several persons “representing” its interest at a hearing. A student, for example, should be accompanied by his parents or guardian or other responsible adult. Schools may have several representatives. Be sure and let all such persons testify if the wish to do so and present documents or other tangible evidence. That being said, it is okay to limit repetitive or irrelevant testimony.)*

(After opening statement, if any – ask committee members if they have any questions of the witnesses)

“Thank you for that statement. Do any of the committee members have any questions of the witness(es) at this time?”

(If no Q & A or once Q & A is completed.....) “If there are no further questions by the committee, please return to your seats. You will be given an opportunity come back and talk some more once we have heard from the other witnesses.”

“Will the *(name receiving school representatives in eligibility cases or other relevant witness in other types of cases)* please come forward and state your name for the record?”

“Thank you. Please proceed with any opening statement that you wish to make. You may also present the committee with any documents that you want to be considered.” *(if documents or other items are presented, make sure that the party in question gets to see them and has opportunity to review.)*

(After opening statement, if any – ask committee members if they have any questions of the witnesses)
“Thank you for that statement. Do any of the committee members have any questions of the witness(es) at this time?”

(Allow for Q & A) (Ask witness –)“Do you have anything else that you want to say or any other documents or other evidence

(If no Q & A or once Q & A is completed.....) “If there are no further questions by the committee, please return to your seat.”

(Go through the same process/notes for each party/witness so all have an opportunity to give relevant testimony, etc. It may become necessary to note the time if the hearing is not running efficiently, however, it is also important to give everyone a reasonable opportunity to speak.

Once everyone has been given a reasonable opportunity to speak, call the party that is the alleged to be in violation back to testify.)

“Having heard from everyone that wished to address the committee, I ask that the *(name student and parents or the representative of the school or school employee in question)* please come forward and make any closing statement that they wish to make.”

(after statement) “Thank you for your statement.”

(ask DEC) “Does the committee have any other questions of this witness?”

(ask party/witness) “Do you have anything else that you wish to say before we conclude testimony?”

(at this time the committee may deliberate/discuss the case – generally, this should be done in open session. Remember – schools involved in a case do not get to participate in the discussion or to vote.)

(ask DEC) “Are there any points about the case or relevant issues that any committee members would like to discuss before we take a vote?”

(Once discussion is concluded –all votes must be taken in open session – two votes may be needed – take the first vote as to whether or not the alleged violation did in fact occur. If the committee votes that a violation did occur, take a second vote on the question of penalty.)

***SCRIPT FOR PAPF CASES – CHANGING SCHOOLS FOR ATHLETIC REASONS, BUT ARE IN COMPLIANCE WITH THE PARENT RESIDENCE RULE**

“It is now time for us to determine whether or not to approve the previous athletic participation form for (name the party in question). All in favor of approving the PAPF declaring the student did not change schools for athletic reasons? All opposed? State ruling. *(It is recommended that, if the chair is a voting member, the chair only vote to break a tie).*

- *If the DEC finds that the change of schools was made for athletic purposes, it shall declare that student ineligible to participate in varsity athletic contests for one year.*
 - *The student has the option to appeal the decision to the SEC: [SEC Appeal Process](#)*
 - *If officials from both the sending and receiving schools agree that a student changed school for athletic purposes, the State Executive Committee will not hear or grant an appeal.*
 - *If the committee decides that the period of ineligibility should be longer than one year, the committee shall transfer the case to the State Executive Committee.*
- *Students have 30 days of being found ineligible to regain varsity eligibility at the school they previously established varsity eligibility ([Section 403\(f\)\(7\)](#)). The 15-day rule applies to students who return to their previous school ([Section 403\(e\)](#)).*

***SCRIPT FOR PAPF CASES – CHANGING SCHOOLS FOR ATHLETIC REASONS, BUT ARE NOT IN COMPLIANCE WITH THE PARENT RESIDENCE RULE**

A student must be cleared of moving for athletic purposes by the DEC before applying for a waiver of the parent residency rule.

“It is now time for us to determine whether or not to approve the Previous Athletic Participation Form for (name the party in question). If approved, the student would be eligible to apply for a parent residence waiver. All in favor of approving the PAPF declaring the student did not change schools for athletic reasons? All opposed? State ruling. *(it is recommended that, if the chair is a voting member, the chair only vote to break a tie).*

- *PAPF is approved: Let the student and receiving school know that they can apply for a parent residence waiver. The criteria for a waiver is that the move is involuntary and unavoidable, as determined by the UIL waiver officer.*
- *PAPF is NOT approved: The student has the option to appeal the decision to the SEC: [SEC APPEAL PROCESS](#)*
 - *If officials from both the sending and receiving schools agree that a student changed schools for athletic purposes, the State Executive Committee will not hear or grant an appeal.*
 - *If the committee decides that the period of ineligibility should be longer than one year, the committee shall transfer the case to the State Executive Committee.*
 - *If the SEC overturns the DEC decision and approves the PAPF, then the student would be eligible to apply for a waiver of the parent residency rule.*
 - *If the SEC upholds the decision of the DEC, then the student is ineligible for varsity athletics for one calendar year.*
- *Students have 30 days of being found ineligible to regain eligibility at the school they previously established varsity eligibility ([SECTION 403\(f\)\(7\)](#)). The 15-day rule applies to students who return to their previous school ([SECTION 403\(e\)](#)).*

*** SCRIPT FOR MATTERS NOT INVOLVING A PAPF ELIGIBILITY DETERMINATION**

“It is now time for us to take a vote and determine whether or not (*name the party alleged to be in violation*) has violated the UIL rules as alleged. Is there a motion?”

- (*Be sure the motion is clear and will result in understandable decision – Ex. “I move that the District Executive Committee find that (*name the party in question*) is in violation of Section ___ of the UIL Constitution and Contest Rules as alleged.” Actually citing the rule found to have been violated is best.*)
- (*If the motion receives a second, call for a vote*)

“All in favor of finding that (*name party in question*) is in violation of Section ___ of the UIL Constitution and Contest Rules as alleged, please raise your hand.” “All opposed?”

“By a vote of _ to _, the District (#)-(Conf.) District Executive Committee (finds or does not find) (*name party in question*) to be in violation of Section ___ of the UIL Constitution and Contest Rules.

- (*If a violation is found the committee will then need to decide what an appropriate penalty is – a penalty must be given for all violations found. See Section 29(i), UIL Constitution and Contest Rules*)

“The District Executive Committee shall enforce all rules contained in the UIL Constitution and Contest Rules. This includes assessing a penalty for every rule violation.”

- (*Discussion and motion and a vote*)

“It is now time for us to take a vote and determine the appropriate penalty for the violation in this case. Is there a motion? A second? (If the motion receives a second, call for a vote)

- (*Note the limitations in the UIL rules regarding what penalties may be imposed in the case being considered so that the motion is appropriate.*)

“All in favor of imposing a penalty of (*name penalty and any duration of time if applicable*) on (*name party in question*) for the violation of UIL rules that this committee has just found, please raise your hand.” “All opposed?”

“By a vote of _ to _, the District (#)-(Conf.) District Executive Committee imposes the penalty of (*type of penalty and duration/any conditions*) on (*name of the party in question*) for being in violation of UIL rules as previously decided today.” Before we conclude, most of the cases that come before the District Executive Committee may be appealed to the UIL State Executive Committee. If you have any questions concerning the appeals process, please contact me. That concludes this hearing.”

(*Move forward with rest of hearings using the same process/notes as above or move forward with whatever remaining matters are left on agenda.*)

OPEN MEETINGS ACT FAQ

Open Meetings Act FAQ

The Open Meetings Act applies to all meetings of UIL committees at the state and district level. All UIL committees are required to follow proper posting and other requirements of the Open Meetings Act.

Information regarding the Texas Open Meetings Act is available on the Texas Attorney Generals website located at: www.oag.state.tx.us

Frequently Asked Questions Relating to the Open Meetings Act:

What is the Open Meetings Act?

The Open Meetings Act, codified at chapter 551 of the Government Code, provides that meetings of governmental bodies must be open to the public except for expressly authorized executive sessions. The Act also provides that the public must be given notice of the time, place, and subject matter of meetings of governmental bodies.

What is a quorum and what is its significance?

The Open Meetings Act defines a “quorum” as a majority of the governing body unless otherwise defined by applicable law, rule, or charter. A quorum of a governmental body’s members must be present in order for the governmental body to exercise the authority delegated to it.

Under some circumstances, less than a quorum of a governmental body may be subject to the Open Meetings Act.

See *Esperanza Peace and Justice Center v. City of San Antonio*, 316 F. Supp.2d 433 (W.D. Tex. 2001) (“walking quorum”).

See *Willmann v. City of San Antonio*, 123 S.W.3d 469 (Tex. App.-San Antonio 2003, pet. denied) (subcommittee of city council).

Who may attend an executive session?

Only the members of a governmental body have a right to attend an executive session, except that the governmental body’s attorney must be present when it meets under section 551.071.

See Tex. Att’y Gen. Op. No. JM-6 (1983).

A governmental body has discretion to include in an executive session officers and employees of the governmental body whose participation is necessary to the matter under consideration. Thus, a school board may require its superintendent of schools to attend all executive sessions of the board without violating the act.

Do public officers and employees have the right to require the governmental body to conduct deliberations about them in executive session when the governmental body is conducting such a discussion in an open meeting?

No. Although an employee who is the subject of personnel deliberations under section 551.074 has a right to an open hearing, he has no right to insist upon a closed hearing. *Keep in mind DEC’s do not employ anyone.

See Tex. Att’y Gen. Op. No. JM-1191 (1990).

How detailed should a certified agenda be?

The “certified agenda” of an executive session must contain at least a brief summary of every specific subject actually discussed, not just those originally intended for discussion. It need not contain a detailed summary or paraphrase of each question or idea presented on the general subject of the executive session. Enough detail should be included to enable a district judge to determine whether the Act has been violated.

See Tex. Att’y Gen. Op. No. JM-840 at 7 (1988).

If a governmental body is unable to discuss all items posted on their notice (agenda) due to time constraints, may it recess the meeting until the next day without having to post another notice?

A meeting may be continued to the following day without posting a new notice. If a meeting is continued to any day other than the one immediately following, the governmental body must post a new notice.

See *Rivera v. City of Laredo*, 948 S.W.2d 787 (Tex. App. --San Antonio 1997, writ denied).

See Tex. Att’y Gen. Op. JC-0308 (1998); Tex. Att’y Gen. Op. JC-0285 (2000); Tex. Att’y Gen. Op. H-1000 (1977).

May a member of a governmental body make statements to members of the press regarding subjects that were discussed in an executive session?

The Open Meetings Act does not prohibit members of a governmental body or other persons in attendance at an executive session from making public statements about the subject matter of that session. However, there may be privacy laws or policy concerns which may prevent such persons from divulging the deliberations of a closed session.

See Tex. Att’y Gen. Op. No. JM-1071 (1989).

May a member of a governmental body vote by proxy?

No. A common law rule prevents a member of a governmental body from submitting a written vote without attending the meeting of the body.

See Tex. Att’y Gen. Op. No. LO94-28 (1994).

Is a governmental body required to let citizens speak at their meetings?

No. The purpose of the Open Meetings Act is to ensure the public’s access to meetings of governmental bodies so that they have the opportunity to be informed concerning the transactions of public business. It does not provide a public forum for every citizen wishing to express an opinion on a matter. However, if the governmental body decides to allow citizens to speak up, it must not unfairly discriminate, but may establish reasonable restraints on the number, length, and frequency of presentations.

See Tex. Att’y Gen. Op. No. H-188 (1973).

See also *Charlestown Homeowner’s Ass’n v. La Coke*, 507 S.W.2d 876, 883 (Tex. App.--Dallas 1994, writ ref’d n.r.e.).

See also Tex. Att’y Gen. Op. No. JC-0169 (2000) (notice for public comment sessions).

Who enforces the criminal provisions of the act?

District courts have jurisdiction over criminal violations of the Act as misdemeanors involving official misconduct. Thus, complaints should be presented to the district attorney or criminal district attorney. The Office of the Attorney General has no independent enforcement authority, but local prosecutors may request assistance from

the Attorney General in prosecuting criminal cases, including those arising under the Open Meetings Act.

See *Tovar v. State*, 978 S.W.2d 584 (Tex. Crim. App. 1998).

What kind of notice of meetings does the Open Meetings Act require?

There are many questions about the adequacy of notice and no short answer to them. These questions need to be addressed individually in the context of the relevant facts, so we usually cannot do more than state the test for adequacy of notice and possibly mention some of the cases that have applied the test.

See Open Meetings Act Handbook at <http://www.oag.state.tx.us/index.shtml>

Section 551.041 of the Government Code provides that “[a] governmental body shall give written notice of the date, hour, place, and subject of each meeting held by the governmental body.” Most of the questions about notice concern the adequacy of the subject. The notice must identify the subjects of all deliberations, including those that may take place in executive session. The notice must be sufficient to inform the general public of the subjects to be considered, and if a subject is of particular interest to the community, more specificity may be required.

Many governmental bodies post the agenda of the meeting with the notice or as the notice, so many people use the terms “notice” and “agenda” interchangeably to refer to the posted document.

IV. PAPF

PREVIOUS ATHLETIC PARTICIPATION FORM

Previous Athletic Participation Form

Section 443, UIL Constitution and Contest Rules

(e) **PREVIOUS ATHLETIC PARTICIPATION FORM (PAPF).** An individual is presumed to have changed schools for athletic purposes if he or she participated with his or her former school in any UIL athletic contest or practice in grades eight through twelve during any previous school year until:

- (1) the student's parents change their residence to the new school or attendance zone; (See Section 442 (g) for a student who changes residence with a separated parent);
- (2) a representative of the previous school sign a PAPF stating that the student was not recruited to the new school and did not change schools or attendance zones for athletic purposes;
- (3) a representative of the new school signs a PAPF stating that the student was not recruited and is not changing schools for athletic purposes;
- (4) the District Executive Committee approves the completed PAPF.

NOTE: The District Executive Committee is not bound to determining only the status of students who participated at another school the previous or current year, as it relates to changing schools for athletic purposes.

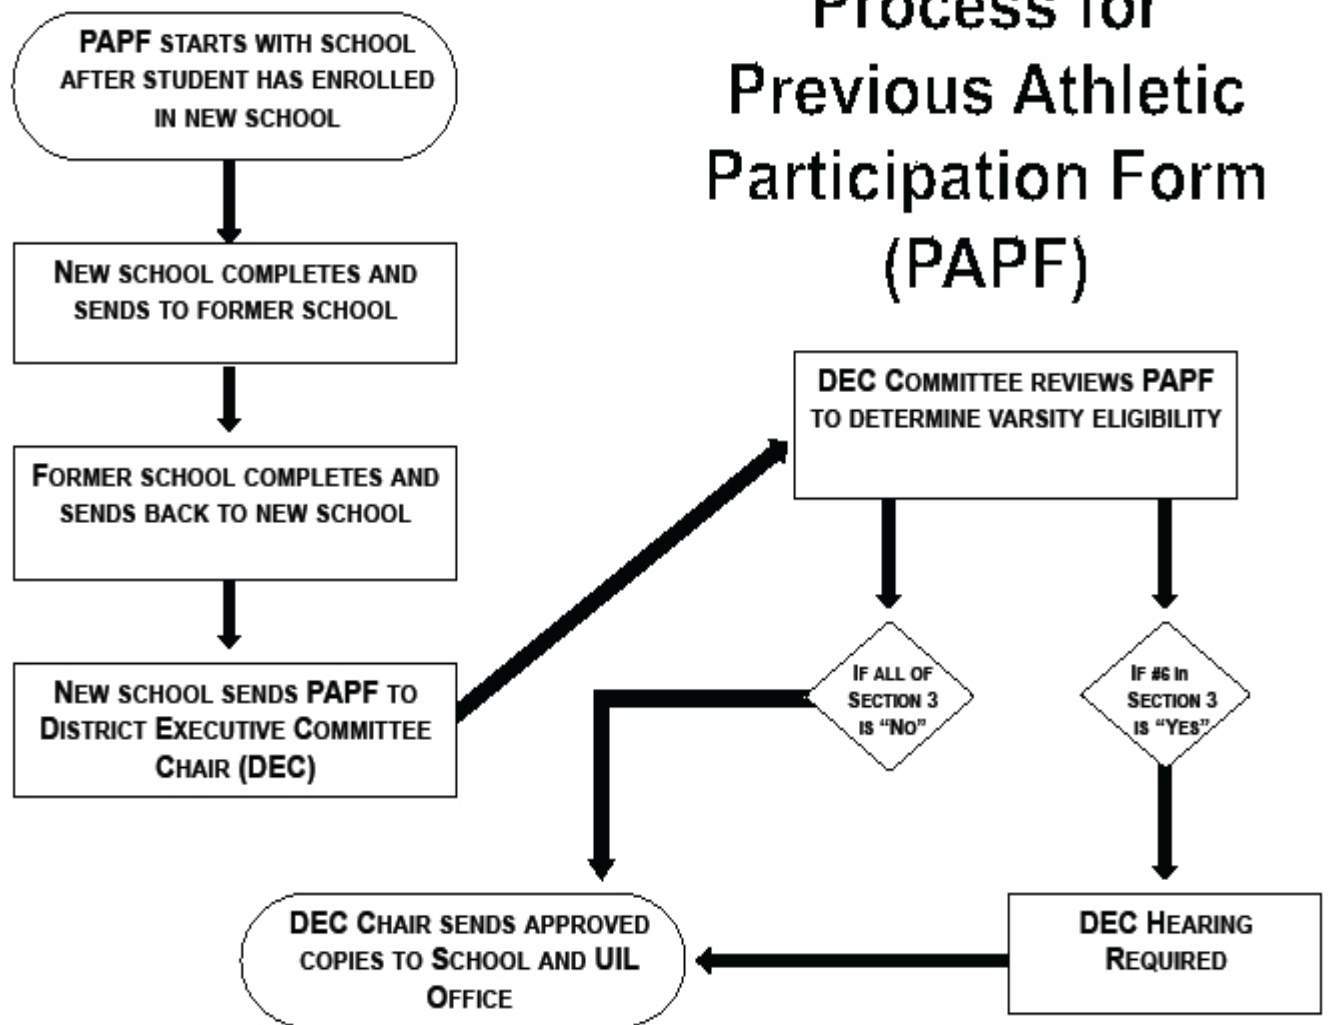

(f) **ELIGIBILITY DETERMINATION BY DISTRICT EXECUTIVE COMMITTEE.**

- (1) If the District Executive Committee where the student attends school finds that the student did not change schools for athletic purposes and meets all the criteria listed in Section 442, it shall declare the student eligible if he/she meets all other eligibility requirements.
- (2) If the District Executive Committee where the student now attends school finds that the student did not change schools for athletic purposes, it may declare that student eligible even though the school district from which he or she moved refused to sign the PAPF. (Extreme caution should be used in granting eligibility under this condition)
- (3) If the District Executive Committee where the student now lives finds at any time that the change was made for athletic purposes, it shall declare that student ineligible to participate in athletic contests for one year. This may include a student who did not compete at the previous school. If the committee decides that the period of ineligibility should be longer than one year, the committee shall transfer the case to the State Executive Committee.
- (4) When officials from both the sending and receiving schools agree that a student changed schools for athletic purposes, the State Executive Committee will not hear or grant an appeal.

(g) **MINIMUM PENALTY.** If a Previous Athletic Participation Form was not filed prior to competition and it was an inadvertent error and the student is actually eligible under Subchapter M of the Constitution, the District Executive Committee is not required to demand forfeiture or to rule the student ineligible. The committee may assess the minimum penalty of reprimand.

(h) **NO PREVIOUS ATHLETIC PARTICIPATION FORM REQUIRED.** The Previous Athletic Participation Forms are not required if the student did not practice or participate with his or her former school in grades eight through twelve or if the student was required to change schools because the school district or attendance zone lines were changed by the school board or other appropriate authority.

P.O. Box 8028 Austin, TX 78713-8028

[Previous Athletic Participation Form -- Page 1](#)
[\(Eligibility Questionnaire for New Student Athletes in Grades 9--12\)](#)

The questions below will assist the UIL/school administrators in making decisions in reference to the Varsity Athletic Parent Residence Rule, Full--Time Student Rule, Age Rule, Four--Year Rule, Foreign Exchange, Amateur Athletic Status, and Changing Schools for Athletic Purposes.

Question 1 -- determines whether or not the student needs to complete page 2 of the Previous Athletic Participation Form.

****Question 2** – a ‘yes’ answer will require further investigation to determine the student’s first opportunity to enroll or a subsequent transfer back to the student’s home attendance zone school.

Varsity Athletic Parent Residence Rule

Question 3 – a check mark in the box for ‘guardian’ or ‘foster parents’ means a waiver of the residence rule is more than likely required for varsity athletic participation. Based on the answers above, contact the UIL office to discuss prior to allowing the student to participate at the varsity level in athletics.

Question 4 – a check mark in the box for ‘married – living apart’ or ‘married and the student is living with one parent’ means a waiver of the residence rule is likely required for varsity athletic participation.

Question 5 – a ‘yes’ answer means a waiver of the residence rule may be required for varsity athletic participation, if the student has NOT been continuously enrolled at that school for the previous calendar year.

Questions 6, 7, 8 and 9 – a ‘yes’ answer to any or all of these questions needs to be investigated by the school to find out the circumstances and how they might or might not impact varsity athletic eligibility.

RESIDENCE IN SCHOOL DISTRICT AND ATTENDANCE ZONE

This section applies to the first calendar year of attendance in grades 9--12. Parent(s) in the context of this rule means parents or adoptive parents who adopted the student prior to the student’s first entry in the ninth grade.

PRESUMPTION OF RESIDENCE OF STUDENT, PARENT (S), SPOUSE. The residence of a single, divorced or widowed student is presumed to be that of the parents of the student. The residence of a married student is presumed to be that of his or her spouse.

GUARDIAN OF PERSON. If a student’s parents are alive but a guardian of his or her person was appointed by appropriate authority and recorded in the county clerk’s office more than one year ago, the residence of the student is presumed to be that of the guardian if the student has continuously resided with the guardian for a calendar year or more. *If no legal guardianship has been taken out, three years’ residence with and support of a contestant establishes guardianship within the meaning of this rule.* (Power of Attorney is NOT a recognized document for participation in varsity athletic contest.)

GUARDIAN. If a student’s parents are dead and a guardian of his or her person has been appointed by appropriate authority, the residence of the student is presumed to be that of the guardian.

RELATIVE; SUPPORTER. If a student’s parents are dead and a guardianship of his or her person has not been appointed, the residence of the student is presumed to be that of the grandparent, aunt, uncle, adult brother or sister or other person with whom the student is living and by whom the student is supported.

CUSTODIAL. The residence of a student assigned by appropriate authority to a foster home or a home licensed by the state as a childcare boarding facility, or placed in a home by the Texas Youth Commission, is presumed to be at the home. If a student’s parent(s) move the student to a foster home in another school district, the student is not eligible, but may apply for a waiver.

DIVORCED PARENTS. The residence of a student whose parents are divorced is presumed to be that of either parent.

SEPARATED PARENTS.

1. If a student's parents separate (**and are not divorced**), and if one parent remains in the attendance zone where the student has been attending school, the student's residence is presumed to be that of the parent who did not move.
2. If a student transfers to a new school with a separated (**but not divorced**) parent, the student is ineligible for one calendar year, but may apply for a waiver.
3. Parents who have been separated for at least three consecutive years would be considered divorced for purposes of this rule.

Full-Time Student

Question 10 – a 'yes' means the student is in violation of the full-time student rule and would be ineligible to participate at any level.

Age Rule and Four-Year Rule

An additional question will be added to the PAPF this year to determine if a non-enrolled student participating in accordance with Section 33.0832 of the Texas Education Code has moved into the attendance zone within the past 12 months. If yes, a full hearing of the DEC is required for varsity participation.

Question 11 – a 'yes' answer means the student is in violation of the Four Year Rule and not eligible for varsity participation. Contact the UIL office to inquire on the process for applying for a waiver of the Four Year Rule.

Question 12 – a 'yes' answer to this question needs to be investigated. UIL rule prohibit students from repeating grades for athletic purposes.

Question 13 – a 'yes' answer means the student is in violation of the Age Rule and not eligible for varsity athletic participation. Contact the UIL office to see if the student could qualify for a waiver of the Age Rule.

Foreign Exchange Waiver

Question 14 – Foreign exchange students are not eligible for varsity athletics without a waiver. Contact the UIL office for details.

Amateur Athletic Status

Question 15 – a 'yes' means the student is in violation of the amateur rule and would be ineligible to participate.

Assist in Determining if Student Moved for Athletic Purposes

Questions 16-20 – Any 'yes' answers should be thoroughly in question to participate at the varsity level in athletics.

*The date of withdrawal from previous school and date of enrollment in new school is necessary in determining if the student has been continuously enrolled for one calendar if the answer to question 2 is 'yes'.

*Signature on the questionnaire certifies all required annual student forms and the information provided by the parent or student is true and correct.

** If the student attended a Magnet, Charter, or Open/Choice enrollment school it will require further investigation to determine the student's first opportunity to enroll or a subsequent transfer back to the student's home attendance zone school.

- (2) the district or school reasonably suspects that an incident described by Subdivision (1) may occur at the activity or competition.

DISTRICT EXECUTIVE COMMITTEE

VI. FAQ

Frequently Asked Questions

1. Must the District Executive Committee assess a penalty when a rule is violated?

Answer: Yes. Example: A school reports to the District Executive Committee that it inadvertently violated a rule. The District Executive Committee can assess a penalty from the range listed in Section 29.

2. Does a reprimand mean a school cannot win district honors?

Answer: No. A reprimand serves as a reminder that a rule has been violated, and, if other violations occur, a harsher penalty may be applied next time.

3. When do District Executive Committee votes have to be unanimous?

Answer: To approve the playing of a district basketball game prior to December 15.

4. Does a defeat by a team which has been disqualified for district honors count in UIL standing?

Answer: The District Executive Committee should determine (prior to the season) if those games will count on UIL standing.

5. What happens when icy roads prevent scheduled district varsity games from being played?

Answer: The District Executive Committee may permit varsity district games/matches postponed by weather or public disaster (not including illness) to be played as an exception to UIL calendar week limitations, and only one school night per school week rule provided they are rescheduled on the next date, other than Sunday, on which another district game is not scheduled. In the event weather or public disaster forces the makeup game to be rescheduled it shall be rescheduled on the next date as described earlier. These makeup games may be played as exceptions to the school week and calendar week limitations.

6. Is a student, who moves from School A to School B without his parents, eligible?

Answer: A student's eligibility is determined by the residence of his/her parents. If the parents do not make the corresponding move into the new school district or attendance zone or do not meet the criteria of residence (Section 442 (h)) the student will not be eligible for varsity athletics unless a parent resident waiver is approved by the UIL Waiver Officer.

7. Does a student automatically become ineligible when his parents move out of the school district?

Answer: No. An individual is eligible even though the parents do not live in the school district, if that individual: 1) has been continuously enrolled in and regularly attending the school for at least the previous year; 2) did not receive any inducement; 3) is in compliance with written transfer and admission policies of the local school district; and 4) is paying his own way (at the going rate within that community) if he is not living with relatives; providing his own transportation if he is living outside the attendance zone.

8. When students move to a new school with their parents, when do they become eligible?

Answer: Students become eligible immediately, provided the previous athletic participation forms (PAPF) are satisfactorily completed, and students enter school prior to the sixth class day of the current school year. The "15- day rule" (see Section 440(g)), applies to all students entering school after the sixth class day of the current school year.

9. What happens when a game official is mistreated (extreme verbal abuse, touched, hit, etc.) by a player, coach, or fan?

Answer: See <https://capitol.texas.gov/tlodocs/88R/billtext/html/HB02484F.htm>

10. Do seniors have any exceptions to UIL rules?

Answer: No. Senior students must comply with all UIL eligibility rules.

11. Do all students, who change schools, need a Previous Athletic Participation Form (PAPF)?

Answer: Yes. Any new student in grade 9-12 who represented a school in practice or contest in any non-varsity or varsity athletic event in grades 8-12 needs the "PAPF" form completed if they will participate at the varsity level in any sport for the new school. If the student did not participate the form should be appropriately checked. The form needs to be sent back to the former school regardless of location of that school.

12. Does a District Executive Committee have the authority to set aside League rules?

Answer: No. The District Executive Committee does not have the authority to set aside rules or to make regulations in the Constitution and Contest Rules more restrictive than those listed in the Constitution and Contest Rules.

13. If the District Executive Committee chooses to set aside a UIL rule what are the consequences?

Answer: The State Executive Committee could disqualify all district representatives from participating in the playoffs.

14. What penalties may the District Executive Committee assess?

Answer: See Section 29 of the Constitution and Contest Rules. Review the entire section before taking action.

15. May rules be waived?

Answer: The only rules which may be waived are the residence rule and the four-year rule. The Waiver Officer at the UIL may waive the residence rule or four year rule if the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the student could not reasonably be expected to comply with the rules. Copies of materials (except confidential materials) must be sent to the District Executive Committee chairman by the Waiver Officer.

16. May the District Executive Committee challenge the request for waiver?

Answer: The District Executive Committee may verify or dispute in writing assertions made in the statement by communicating with the Waiver Officer. The Waiver Officer shall send the applicant a copy of any communication received from the District Executive Committee.

17. Who can appeal the decision of the Waiver Officer?

Answer: The applicant, the parent or guardian of the applicant, or any superintendent may request a review of the decision of the Waiver Officer. See Section 466 of the UIL Constitution and Contest Rules.

18. When a student athlete is not listed on the eligibility blank or the PAPF is not completed before the athlete participates in a varsity contest does the school have to forfeit contests?

Answer: Not unless the student was actually ineligible. The committee may assess the minimum penalty of reprimand to the school. See Section 1205 (b) and (d) of the UIL Constitution and Contest Rules.

- (c) Charter Schools. For non-enrolled (home schooled) students, if the public independent school district where the parent(s) / guardian(s) of the student reside decides not to allow non-enrolled (home schooled) students to participate, the non-enrolled (home schooled) student could petition for participation at a charter school located within the boundaries of the independent school district where the parent(s) / guardian(s) of the student reside, if allowed by that charter school administration.

- (e) was eligible according to Section 400 (c) (fifteen calendar day rule) and Section 403 (f) (residence rule) at the member school the student wishes to represent prior to the deadline for district certification (non-compliance results in ineligibility only in post-district competition in that sport); and
- (f) is a resident of the member school district (Refer to Section 442), and a resident of the attendance zone in which the member school being attended is situated,
 - (1) or has been continuously enrolled in and regularly attending the school for at least the previous calendar year if his or her parents do not reside within the school district's attendance zone; Refer to (5) (B) below for **exception**. Note: A student who has changed schools for athletic purposes may be declared ineligible for more than one calendar year. Refer to Section 443 (f) (3). For students placed on a waiting list for admittance to an open enrollment charter school that is a member school, the earlier of the first day of enrollment or the first day of school for the school year following the date of application begins the time frame for compliance with the exception noted in this section.
 - (2) or the student is attending a school outside the attendance zone where the parents reside because the school board or other appropriate authority changed district or attendance zone lines.
 - (3) or is a transfer student from a public 8-grade ISD not containing a high school, who transferred at the first opportunity:

 - (B) to a high school for which the K-8 school attended receives state transportation funds; or
 - (C) to the high school located nearest the student's residence.
 - (4) **Intra-District Transfers**. A student who has an

option to attend more than one high school within a school district, rather than being assigned to a school according to attendance zones, is eligible at the school first selected if he/she transfers at the first opportunity. If a student subsequently transfers to another school, the student is not eligible for varsity athletic competition until he/she has been in and regularly attended that school for at least the previous calendar year.

(5) **Foreign Exchange Students.**

- (A) Foreign exchange students are ineligible for varsity athletic contests the first year they attend a member school unless they are granted a waiver of the parent residence rule as outlined in Sections 465 and 468.
- (B) Foreign exchange students who receive a Foreign Exchange Waiver and participate in UIL varsity athletic contests during their first year in the host school may not participate in those same contests if they return for a second year to the host school. The student may, however, participate in any other UIL varsity sport.

Refer to Official Interpretations 01-09-18 and 10-03-12, Appendix I

(6) **Charter Schools:**

- (A) Students whose parents live within the boundaries of an independent school district where a charter high school is located and opt to attend the charter high school at their first opportunity to select a high school and are otherwise in compliance with varsity eligibility requirements, are eligible. If a student subsequently transfers to another school within the boundaries of the independent school district, the student is not eligible for varsity athletic competition until he/she has been in and regularly attended that school for at least the previous calendar year.
- (B) Students whose parents live within the independent school district where the charter school is located, who do not select the charter high school at their first opportunity, are ineligible for varsity athletic competition unless they have been enrolled in and regularly attending the charter high school for at least the previous calendar year.
- (C) Students whose parents reside outside

the boundaries of the independent school district where the charter school is located are ineligible for varsity athletic competition unless they have been enrolled in and regularly attending the charter school for at least the previous calendar year.

- (D) Charter Schools. For non-enrolled (home schooled) students, if the public independent school district where the parent(s) / guardian(s) of the student reside decides not to allow non-enrolled (home schooled) students to participate, the non-enrolled (home schooled) student could petition for participation at a charter school located within the boundaries of the independent school district where the parent(s) / guardian(s) of the student reside, if allowed by that charter school administration.
- (7) A student who has established varsity eligibility under this section at a member school but who subsequently changed schools to another member school zone and is found to have changed schools for an impermissible reason, remains eligible at the school where eligibility was first established without the need of a waiver. A student must reenroll in the school where eligibility was previously established within thirty (30) days of being found ineligible at the school the student moved to for this provision to apply. The Executive Director or his or her designee may inquire into such cases and may make a determination regarding a student's qualification for this exception to the parent residence rule.
- (8) This section and the rules cited herein shall be interpreted and applied to the extent reasonably possible so that, absent a specific sanction barring athletic participation, a student who meets basic varsity athletics eligibility requirements should have UIL varsity athletics eligibility at a UIL member school. This is a general rule of construction that may be impacted by the facts of a given case.

Section 404: STATE LAW

- (a) **INTERPRETATION OF STATE LAW.** The Commissioner of the Texas Education Agency delegated hearing authority over matters pertaining to the enforcement of applicable state law to the UIL. UIL staff opinions should be requested on all state laws

relating to UIL eligibility, and rules and regulations promulgated by the State Board of Education or the Texas Education Agency regarding the following as they apply to UIL eligibility:

- (1) grades;
 - (2) credit requirements;
 - (3) number of contests per school week;
 - (4) limit on practice and performance per school week; and
 - (5) limit on school year absences for extracurricular activities.
- (b) **SOURCES OF INFORMATION.** In addition to calling or writing UIL staff, the UIL publishes a manual available to member schools entitled **TEA-UIL Side By Side** that contains interpretations and answers to frequently asked questions. It is available on request, and is on the UIL website.
- (c) **VENUE.** In accordance with Texas Education Code 67.26, any lawsuit filed against the UIL shall be filed in Travis County.

Section 405: HIGH SCHOOL GRADUATE

- (a) **COMPLETION OF HIGH SCHOOL.** A person is considered a high school graduate if that person received a diploma or other certificate signifying successful completion of high school from a high school or other institution of equal or higher rank, participated as a graduate in the graduation exercises of a high school, or complied with the requirements for graduation during a four-year program, whether or not the student participated in the graduation exercises. However, a student who has accumulated enough credits to satisfy graduation requirements prior to the end of four years, but remains in school as a full time student, is not considered a high school graduate under this rule.
- (b) **GED TESTING PROGRAM.** A student who receives an equivalency credential based on the General Education Development Testing Program is not considered a high school graduate, if that student remains in or returns to high school, and has not otherwise met the requirements for high school graduation.
- (c) This section shall not disqualify a contestant who is eligible in all other respects at the time of spring graduation. This exception refers only to contestants whose UIL competition extends into the summer from the end of the school year.

Section 406: FULL-TIME DAY STUDENT

A person is considered a full-time day student if that person:

- (a) is enrolled and attends classes in a member school for which the current year's membership fee has

been paid, or is enrolled in the ninth grade or tenth grade on a campus separate from the high school, and who will, by school district policy and not by choice, attend a specific high school (Refer to Official Interpretation 05-09-01, Appendix I);

- (b) is enrolled in the number of courses required by state law and by rules of the State Board of Education; and
- (c) is in compliance with written transfer and admission policies of the local school district.
- (d) Subject to local school district discretion, students attending non disciplinary 'alternative' schools such as magnet or ISD charter schools within the same independent school district that do not offer UIL participation opportunities, may be in compliance with this section and eligible to participate in the division (Academics, Athletics, Music) of UIL activities not offered at the non disciplinary 'alternative' school. A student's eligibility under these circumstances would be at the school the student would attend based on the residence of the parent's of the student and/or the school the student would attend by school district policy if they were not enrolled in the non disciplinary 'alternative' school. (Refer to Official Interpretation: Exception: 18-08-14 Section 406(d) immediately following 10-03-12

Section 400 (b) 403 and 406.

- (e) A student participating in UIL activities at a member school under (d) above or official State Executive Committee Interpretation 10-03-12 or 00-09-13 could do so by completing and filing the Non-Disciplinary Alternative School Student Participation Form with the applicable school, District Executive Committee and the UIL office prior to said participation.
- (f) Is a non-enrolled (home schooled) student seeking participation and is in compliance with all provisions included in section 33.0832 of the Texas Education Code.

Section 407: REGULAR ATTENDANCE

- (a) A student is in regular attendance even though he or she is absent for 10 class days or less after enrolling in school because of illness or other unavoidable cause, if the parent or guardian submits a written statement certifying this as the reason for the absence and the principal approves the absence.
- (b) Except for an otherwise eligible student who is a dependent of a parent or guardian who is active duty military, a student who does not enroll in and attend school within the first six class days is ineligible to participate until the 15th day after

enrollment and attendance. In each case where applicable, the superintendent or their designee shall certify to the appropriate District Executive Committee that, based on reasonable evidence, the active duty military exception noted above applies.

- (c) Students who are in an alternative program under Texas Education Code, Section 37.006 may resume UIL participation on the first day they return to regular classes, with local school district approval.
- (d) A non-enrolled (home schooled) student seeking participation, who is in compliance with all provisions included in section 33.0832 of the Texas Education Code would not be subject to this rule.

Section 408: FOUR-YEAR PROGRAM OF HIGH SCHOOL COURSES

- (a) A student may participate in UIL contests during a program of high school courses over a period of four consecutive years after the student first enrolls in the ninth grade. A student is considered to be enrolled in the ninth grade the day of that student's registration as a ninth grader and attendance in a full class period (including an athletic period or practice) at the ninth grade level.
- (b) Students who never entered the ninth grade but were placed into the tenth grade have three consecutive years from their first entry into tenth grade to complete their high school eligibility.
- (c) Over-age eighth grade students who participate on the high school varsity athletic team have four consecutive years, including grade eight, to complete their high school athletic eligibility. Refer to Section 1478 (b).

Section 409: RECRUITING

Recruiting is not only a violation by the student who has been recruited, but it is also a violation by the school and/or the school district personnel who recruited the student. It is a violation to recruit at all grade levels.

Section 410: BURDEN OF PROOF

- (a) **ELIGIBILITY.** If a student's eligibility to compete in a UIL contest is questioned, the student has the burden in any proceeding to establish by the preponderance of the evidence that he or she is eligible.
- (b) **ALLEGATIONS OF VIOLATIONS.** If a District Executive Committee or the State Executive Committee determines that a complaint or report of a violation has enough validity or substance to hold a hearing, the burden by the preponderance of the

evidence to disprove the allegations at issue rests with the member school, member school district or covered school district personnel charged with the violation.

Section 411: CREDIT REQUIREMENTS FOR ELIGIBILITY DURING FIRST SIX WEEKS

The standards below determine academic eligibility for the first six weeks of the school year. Students in non-compliance may request a hardship appeal of their academic eligibility through the UIL.

- (a) **GRADES NINE AND BELOW.** Students must have been promoted from the previous grade. (Refer to Official Interpretation 01-09-18 Appendix I).
- (b) **SECOND YEAR OF HIGH SCHOOL.** Five accumulated credits that count toward state graduation requirements.
- (c) **THIRD YEAR OF HIGH SCHOOL.** Ten accumulated credits that count toward state graduation requirements or student must have earned at least five credits within the last twelve months that count toward state graduation requirements.
- (d) **FOURTH YEAR OF HIGH SCHOOL.** Fifteen accumulated credits that count toward state graduation requirements or student must have earned at least five credits within the last twelve months that count toward state graduation requirements.
- (e) **NON-ENROLLED (HOME SCHOOLED) STUDENTS.** A non-enrolled (home schooled) student seeking participation for the first six weeks must demonstrate grade-level academic proficiency on any nationally recognized, norm-referenced assessment instrument, such as the Iowa Test of Basic Skills, Stanford Achievement Test, California Achievement Test, or comprehensive test of basic skills prior to the first day of school. A non-enrolled student demonstrates the required academic proficiency by achieving a composite, core or survey score that is within the average or higher than average range of scores, as established by the applicable testing service. For purposes of this subsection, a school district shall accept assessment results administered or reported by a third party.

Section 412: ACCOMODATIONS FOR DISABILITY

Students with disabilities as defined by section 504 of the Rehabilitation Act and/or Title II of the Americans With Disabilities Act, who are currently being served under either of those acts, may apply to the UIL staff for accommodations to applicable contest rules or playing rules. Contact the UIL office or visit the UIL website for details and an application.

Section 441: AMATEUR ATHLETIC STATUS

The amateur rule starts the first class day of a student's ninth grade year, and is in continuous effect during the school year and summer months until all athletic competitions are completed in the 12th grade. The student at all times (whether in school or outside school) shall abide by the letter and intent of amateurism, as set forth in this section. Schools are charged with the responsibility of informing students of all applicable subsections of this rule and enforcing this rule. Administrators and coaches must ensure that athletes receive only services specifically permitted by written rule. Any breach of the rule undermines the educational goals of interscholastic athletics.

- (a) **NOT AN AMATEUR.** For purposes of competing in an athletic contest, a student in grades 9-12 is not an amateur if that individual, within the preceding 12 months:
 - (1) except as provided otherwise in this section, received money or other valuable consideration for participating in a UIL sponsored school sport;
 - (2) received valuable consideration for allowing his or her name to be used in promoting a product, plan or service related to a UIL sport or contest; or
 - (3) accepted money or other valuable consideration from school booster club funds for any non-school purpose.
 - (4) For the purposes of this section, "participating" means taking part or playing any role in the covered sport or otherwise being involved in any practice, game or contest of the covered sport, as a coach, player, manager, assistant, or any other involvement besides that of a spectator. A game or activity involving chance not sponsored by the UIL but that may also involve a student using some athletic skill or ability does not constitute "participating" under this section. Such a game or activity would be a "half-court shot" contest as part of a marketing program or throwing balls at a target for a prize. "Teaching" and "coaching" are synonymous terms.
 - (5) For the purposes of this section a "UIL sponsored school sport" is any sport that is sponsored by the UIL as either a regular approved UIL activity or pilot program and that is made available through the school the student attends. For example, baseball is a UIL sponsored sport and is covered by this rule, regardless of the level of com-

petition involved or organization that is administering the game in which the sport is played.

- (b) **EXCEPTIONS:**
- (1) Students may accept reasonable fees that do not exceed local prevailing rates for teaching or coaching activities.
 - (2) Students may accept reasonable fees that do not exceed local prevailing rates for officiating athletic contests.
 - (3) Seniors may sign a letter of intent or scholarship agreement which contains the conditions of a scholarship with a postsecondary institution.
 - (4) For purposes of competing in an athletic contest, the member school, school district or a student's parent(s) may provide medical examination and services, athletic insurance, transportation and other travel expenses incurred in competing away from home, or supplies and services during and in connection with a game or practice period. Jerseys or game shirts may be worn on game day as well as during practice or competition, with school district approval.
 - (5) Participant schools and member school districts may permit student athletes to attend contests by permit admission through a pass gate.
 - (6) A student-athlete in grades 9-12 may accept funds that are administered by the United States Olympic Committee (USOC) or other national governing body.
 - (7) Student athletes may accept small "goodie bags" consisting of cookies, candy and symbolic gifts from their classmates, if allowed by local school policy.
 - (8) Student athletes may accept travel expenses and attend free banquets in connection with an awards ceremony to accept a national and/or state-wide award, after completing their eligibility in that sport.
 - (9) *Meals.* The local school district determines when, how and from whom student athletes can receive meals and snacks.
 - (10) This rule is sport-specific. For example if a student violates the rule in one sport that student would be ineligible for that sport only.
- (c) **STATUS REGAINED.** If a student did not realize that accepting the valuable consideration was a violation of the amateur rule and returns

the valuable consideration within 30 days after being informed of the violation, that student may

regain athletic eligibility as of the date the valuable consideration is returned. If a student fails to return it within 30 days, that student remains ineligible for one year from when he or she accepted it. During the period of time a student is in possession of valuable consideration, he or she is ineligible for varsity athletic competition in the sport in which the violation occurred. Any games or contests in which the student participated during that time would be forfeited as the minimum penalty.

- (d) **TEAM VIOLATION.** If the team violates this section, the penalty shall be assessed against the team and not against each individual.

Section 442: RESIDENCE IN SCHOOL DISTRICT AND ATTENDANCE ZONE

This section applies to the first calendar year of attendance in grades 9-12 and to a non-enrolled (home schooled) student seeking participation in accordance with section 33.0832 of the Texas Education Code. Parent(s) in the context of this rule means parents or adoptive parents who adopted the student prior to the student's first entry in the ninth grade.

- (a) **PRESUMPTION OF RESIDENCE OF STUDENT, PARENT(S), SPOUSE.** The residence of a single, divorced or widowed student is presumed to be that of the parents of the student. The residence of a married student is presumed to be that of his or her spouse.
- (b) **GUARDIAN OF PERSON.** If a student's parents are alive but a guardian of his or her person was appointed by appropriate authority and recorded in the county clerk's office more than one year ago, the residence of the student is presumed to be that of the guardian if the student has continuously resided with the guardian for a calendar year or more. If no legal guardianship has been taken out, three years' residence with and support of a contestant establishes guardianship within the meaning of this rule.
- (c) **GUARDIAN.** If a student's parents are dead and a guardian of his or her person has been appointed by appropriate authority, the residence of the student is presumed to be that of the guardian.
- (d) **RELATIVE; SUPPORTER.** If a student's parents are dead and a guardianship of his or her person has not been appointed, the residence of the student is presumed to be that of the grandparent, aunt, uncle, adult brother or sister or other person with whom the student is living and by whom the student is supported.
- (e) **CUSTODIAL.** The residence of a student assigned by appropriate authority to a foster home (or in

kinship placement, as provided for in Chapter 264; Subchapter K, Tex. Family Code, in lieu of foster care) or a home licensed by the state as a childcare boarding facility, or placed in a home by the Texas Department of Family and Protective Services, Texas Juvenile Justice Department or an equivalent state agency, is presumed to be at the home or facility to which the student has been placed. If a student's parent(s) move the student to a foster home in another school district, the student is not eligible, but may apply for a waiver. The residence of a student placed in a home or residential facility that is affiliated with a special purpose school district as outlined in Section 11.351 of the Texas Education Code is presumed to be at the special school district-affiliated home or residential facility where the student is placed.

- (f) **DIVORCED PARENTS.** The residence of a student whose parents are divorced is presumed to be that of either parent.
- (g) **SEPARATED PARENTS.**
 - (1) If a student's parents separate (and are not divorced), and if one parent remains in the attendance zone where the student has been attending school, the student's residence is presumed to be that of the parent who did not move.
 - (2) If a student transfers to a new school with a separated (but not divorced) parent, the student is ineligible for one calendar year, but may apply for a waiver.
 - (3) Parents who have been separated for at least the previous three consecutive years would be considered as 'divorced' for purposes of this rule.
- (h) **MILITARY PARENT(S).** A student whose parent is active military and receives a permanent change of station to a military base with a special purpose school district, or whose parent has been released into retirement by the Department of Defense for a reason other than a dishonorable discharge and the student enrolls in the special purpose school district on a military base at the student's first opportunity, is considered in compliance with this rule.
- (i) **CRITERIA OF RESIDENCE.** The intent of this section is to ensure that unless circumstances fit one of the exceptions above, any relocation of residence is a complete and permanent move for the family. The residence shall be the domicile which is a fixed, permanent and principal home for legal purposes. The residence is not bona fide under UIL rules unless it complies with all of the following criteria.
 - (1) Does the student's parent, guardian or other person whose residence determines the student's residence own a house or

condominium or rent a house, apartment or other living quarters in the school district and attendance zone? **Parents or guardians must provide documentation to verify the purchase, lease or rental of a home located in the new attendance zone. A lease agreement or rental agreement should be for a reasonable duration.**

- (2) Does the student and the parent or guardian have their furniture and personal effects in the district and attendance zone? **There should be no personal effects or furniture belonging to the family in the previous residence.**
- (3) Does the student and the parent or guardian receive their mail (other than office mail) in the district and attendance zone? **The family should have submitted a change of mailing address to the Post Office.**
- (4) Are the parents or guardians registered to vote in the district and attendance zone? **If either of the parents or guardians was registered to vote at the previous address, they should have applied for a new voter registration card at the new address.**
- (5) Do the parents or guardians regularly live in the district and attendance zone and intend to live there indefinitely? **The new residence should accommodate the entire family. The former house should be on the market at a reasonable market price or sold, or the lease or rental agreement terminated. All utilities and telephone service should be disconnected or no longer in the family's name. All licensed drivers in the household should have complied with DPS regulations for changing their address.**
- (6) Are the parents or guardians required to live in the district and attendance zone for the first calendar year? **If the parents or guardians of a contestant move from the district or school zone before the student has been in attendance for one year, the student loses athletic eligibility in the school district from which the parents or guardians move, and remains ineligible there for varsity athletics until a year is up.**

Section 443: CHANGING SCHOOLS FOR ATHLETIC PURPOSES

- (a) **DETERMINATION BY DISTRICT EXECUTIVE COMMITTEE.** The District Executive Committee is to determine whether or not a student changed schools for athletic purposes, when considering each student who changed schools and has completed the eighth grade, whether or not the student has represented a school in grades nine through twelve.

- (b) **COMMON INDICATORS.** District Executive Committees should look closely to determine if a student is changing schools for any athletic purpose. Some common indicators committees should include in their considerations include, but are not limited to: checking to see if a student was recruited; ascertaining whether a student was in good standing in the previous school, either academically or in a sports program; determining if a student was unhappy with a coach in the previous school; determining if a student played on a non-school team and is transferring to the school where members of the non-school team attend; determining if a student played on a non-school team and is transferring to the school where the non-school team coach or a relative of the non-school team coach, is the school coach; and determining if a student received individual or team instruction from a school coach and is transferring to the school of that coach.
- (c) **INELIGIBLE.** A student who changes schools for athletic purposes is not eligible to compete in varsity UIL athletic contest(s) at the school to which he or she moves for at least one calendar year, even if both parents move to the new school district attendance zone. Refer to (e) below.
- (1) **Exception:**
- (A) One time only, intra-district transfer students are eligible for one varsity athletic activity that was not offered at their previous school. The student must wait one calendar year before gaining eligibility for any other varsity athletic contest. If a student who has been granted participation under this section returns to the school in the attendance zone where the parents reside, a Previous Athletic Participation Form shall be furnished to the District Executive Committee, who will rule on the student's eligibility at that school.
- (d) **LENGTH OF INELIGIBILITY.** The District Executive Committee for the district into which the student moves shall determine when or if a student who moves for athletic purposes becomes eligible. Refer to (c) above and (f)(3) below.
- (e) **PREVIOUS ATHLETIC PARTICIPATION FORM (PAPF).** An individual is presumed to have changed schools for athletic purposes if he or she participated with his or her former school in any UIL athletic contest or practice in grades eight through twelve during any previous school year until:
- (1) the student's parents change their residence to the new school or attendance zone; (Refer

to Section 442 (g) for a student who changes residence with a separated parent);

- (2) a representative of the previous school sign a PAPF stating that the student was not recruited to the new school and did not change schools or attendance zones for athletic purposes;
- (3) a representative of the new school signs a PAPF stating that the student was not recruited and is not changing schools for athletic purposes;
- (4) the District Executive Committee approves the completed PAPF.

NOTE: The District Executive Committee is not bound to determining only the status of students who participated at another school the previous or current year, as it relates to changing schools for athletic purposes.

- (f) **ELIGIBILITY DETERMINATION BY DISTRICT EXECUTIVE COMMITTEE.**
- (1) If the District Executive Committee where the student attends school finds that the student did not change schools for athletic purposes and meets all the criteria listed in Section 442, it shall declare the student eligible if he/she meets all other eligibility requirements.
- (2) If the District Executive Committee where the student now attends school finds that the student did not change schools for athletic purposes, it may declare that student eligible even though the school district from which he or she moved refused to sign the PAPF. (Extreme caution should be used in granting eligibility under this condition.)
- (3) If the District Executive Committee where the student now lives finds at any time that the change was made for athletic purposes, it shall declare that student ineligible to participate in athletic contests for one year. This may include a student who did not compete at the previous school. If the committee decides that the period of ineligibility should be longer than one year, the committee shall transfer the case to the State Executive Committee. Subject to Section 403 (f) and 463 (2)(A), a student who has established varsity eligibility under this section at a member school but who subsequently enrolls in another member school and is found to have changed schools for athletic purposes remains eligible at the school, where eligibility was first established.
- (4) When officials from both the sending and

receiving schools agree that a student changed schools for athletic purposes, the State Executive Committee will not hear or grant an appeal.

- (g) **MINIMUM PENALTY.** If a Previous Athletic Participation Form was not filed prior to competition and it was an inadvertent error and the student is actually eligible under Subchapter M of the **Constitution**, the District Executive Committee is not required to demand forfeiture or to rule the student ineligible. The committee may assess the minimum penalty of reprimand.

- (h) **NO PREVIOUS ATHLETIC PARTICIPATION FORM REQUIRED.** The Previous Athletic Participation Forms are not required if the student did not practice or participate with his or her former school in grades eight through twelve or if the student was required to change schools because the school district or attendance zone lines were changed by the school board or other appropriate authority.

NOTE: (d) and (f) above speak to the applicability of the Previous Athletic Participation Form as it relates to students who have or have not represented another school in grades nine through twelve in either varsity or sub varsity competition. Section 403 (c) prohibits students from changing schools for athletic purposes.

Section 445: REPEATING GRADES FOR ATHLETIC PURPOSES

seventh or eighth grade for athletic purposes shall lose one of his or her four years of high school eligibility for each year he or she is held back for athletic purposes.

- (c) **LOSS OF THIRD AND FOURTH YEARS.** A student held back for two years in the seventh or eighth grade for athletic purposes shall lose both the third and fourth years of eligibility after entering the ninth grade.

Section 446: AGE

- (a) **PROOF OF AGE.** Age shall be determined based on a student's birth certificate. In cases where a student's birth certificate is unavailable, other similar government documents used for the purpose of identification may be substituted.

- (b) **NINETEEN ON SEPTEMBER 1.**

(1) **Eligibility.** A student who is nineteen on Sep-

tember 1 preceding the contest, and who initially enrolled in the ninth grade no more than four calendar years ago, and who prior to the end of his or her second year in high school was in special education, under the auspices of an ARD committee or identified as a 504 student by a 504 committee, is eligible to participate in a UIL varsity athletic contest as a representative of a member school if:

- (A) the student has or had a disability which delayed his or her education for a year or more;
- (B) the student is currently in special education and under the auspices of an ARD committee or is currently identified as a 504 student by a 504 committee, and
- (C) the student has not already participated one extra year under this exception.

- (2) **Requirements.** The requirements below are to be met by the superintendent. A student may apply for a waiver as outlined in Section 463 only if the superintendent does not submit proper verification.

- (A) The following must be submitted to the superintendent of the school district for eligibility determination:

- (i) Special education students must provide documentation of a special education status and documentation that a disability delayed their education by at

least one year.

- (ii) Students with a history of a disability must provide documentation from a 504 committee proving the existence and length of time of the disability that caused the delay of at least one year in their education.

- (B) The superintendent must certify that the student has met eligibility requirements on a form prepared by the UIL office, and submit the completed form to the chair of the District Executive Committee. If a student is unable to obtain the required certification from the superintendent, the student may appeal the matter to the UIL Waiver Officer for disposition. (Refer to Section 463).

- (3) **District Executive Committee.**

be returned to the superintendent by the chair of the committee with eligibility denied:

 - (ii) forms that indicate that the student is not in compliance with the four-year rule and a waiver for that rule has not been granted, or
 - (iii) forms that contain any missing information or missing signatures.
- (B) The District Executive Committee will verify completed certification forms and declare the student eligible for varsity competition.
- (C) The student remains ineligible for varsity athletics unless and until all eligibility is verified by the District Executive Committee.

Subchapter N. WAIVER OF ELIGIBILITY RULES

Section 463: APPLICATION FOR WAIVER

(a) WHO MAY APPLY.

- (1) When a student does not comply with Sections 400 (g) and 408 because that student has not met the requirements for graduation four years after first entering into the ninth grade and has missed an entire season's participation in a specific activity due to inadvertent circumstances other than an athletic injury, that student may apply for a waiver of the apparent non-compliance and a declaration of eligibility in those activities that were missed. A student may apply for a waiver of the four-year rule only once. The fact that a member school does not offer a specific activity is not grounds for claiming the student was unable to participate in that activity.

(2) **Parent Residence Rule.**

- (A) If a District Executive Committee or the State Executive Committee finds that a student does not comply with Sections 403(f) and 442 (residence rules), that student may apply for a waiver of the apparent non-compliance and a declaration of eligibility. **As An Exception:** A student who is found by a District Executive Committee, or upon appeal, the State Executive Committee, to have changed schools for athletic purposes or

other impermissible reasons may return within thirty (30) days after being ruled ineligible to the school the student left without need of a parent residence waiver as long as all other eligibility rules are satisfied. In cases where there is a dispute regarding the student's qualification for this exception, the Executive Director or his or her designee may make a determination as to whether the student qualifies.

- (B) A waiver of the residence rule shall be null and void in regards to the school the student has moved to when either the District Executive Committee or the State Executive Committee determines that the student changed schools for athletic purposes.
- (C) If a student who has been granted a waiver returns to the school in the attendance zone where the parents reside, a Previous Athletic Participation Form shall be furnished to the District Executive Committee, who will rule on the student's eligibility at that school.
- (3) Students who change schools from one independent school district to another independent school district to enroll in the International Baccalaureate Program may apply for a waiver of Sections 403 (f) and 442 (residence rules) to be eligible for varsity athletics the first year of attendance.
- (4) **Age Rule, Sections 403 (b) and 446.** If a student is nineteen or older and has met all the criteria in Section 446 prior to the end of his or her second year in high school, but the superintendent does not submit proper verification to the District Executive Committee and the UIL, that student may apply for a waiver if:
- (A) the student has or had a disability which delayed his or her education for a year or more;
 - (B) the student is currently in special education and under the auspices of an ARD committee or is currently identified as a 504 student by a 504 committee; and
 - (C) the student has not already participated an extra year under this exception.
- NOTE: This waiver procedure is only for students who are unable to obtain the required certification from the superintendent as outlined in Section 446.
- (5) *Retroactive Waiver Procedure* (Refer to Section

469).

- (b) **PROCEDURE.** The application must be in writing on the UIL Application for Waiver form and signed by the student and, if the student is under 18 years of age, by a parent or guardian. The applicant shall submit a copy of all documentation to the superintendent. The superintendent shall send a copy of the application to the chair of the District Executive Committee. The chair shall notify members of the district that the application has been filed. Unless the student is indigent or a dependent of an active military personnel, he or she shall pay a \$100 filing fee to the UIL when the application is filed.

Section 464: SUBMISSION TO WAIVER OFFICER

- (a) The applicant for a waiver shall submit with the application statements of the facts and circumstances that excuse the apparent non-compliance with the rules.
- (b) An applicant for a waiver of the age-rule, Sections 403 (b) and 446, must also submit the following:
- (1) an applicant who is a special education student must provide documentation of special education status and documentation that a disability delayed his or her education by at least one year;
 - (2) an applicant who is a student with a history of a disability must provide documentation from a 504 committee proving the existence and length of time of the disability that caused the delay of at least one year in his or her education; and
 - (3) applicants must submit documentation and/ or a statement of the facts and circumstances indicating that the applicant was unable to obtain the required certification from the superintendent.

Section 465: DECISION BY WAIVER OFFICER

- (a) **DECISION.** Within 14 days after the Waiver Officer determines that the application is complete, the Waiver Officer shall upon the basis of the application and written statements decide whether the waiver should be granted and the applicant declared eligible.
- (b) **BASIS FOR DECISION.**
- (1) **Residence Rule, Sections 403 (f) and 442.**
 - (A) **International Baccalaureate Program.** The waiver of the residence requirements of a student who changes schools to enroll in the International Baccalaureate Program may be granted unless the District Executive Committee has determined

the student changed schools for athletic purposes.

- (B) **Other Waivers of Parent Residence Rule.** If the Waiver Officer finds that the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the Waiver Officer could not reasonably expect the student to comply with the rules, the Waiver Officer shall grant the waiver.
- (2) **Four Year Rule, Sections 400 (g) and 408.** If the Waiver Officer finds that the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the Waiver Officer could not reasonably expect the student or the parents to comply with the rule, and if those same circumstances caused the student to miss an entire season's participation in an activity, the Waiver Officer shall grant the waiver.
- (3) **Foreign Exchange Students.** The waiver of the residence requirement of a foreign exchange student may be granted under the following conditions:
- (A) a copy of the student's J-1 visa and certification papers from the approved CSIET (Council on Standards for International Educational Travel) United States Foreign Exchange Program accompanies the waiver form;
 - (B) the exchange student has not completed four years of high school attendance and/or graduated from high school;
 - (C) the exchange student has not received advanced training (defined as training which is above and beyond that which is normally provided in Texas public schools) in the germane activity prior to arriving in Texas, such as pre-Olympic training, being nationally ranked or having similar status in a sport, or participation on a national team;
 - (D) the exchange student has not been placed with a host or a school based on athletic interests or abilities, whether initiated or caused by a student, a natural or host parent, a school, a program or any other interested party; and
 - (E) the exchange student meets all other University Interscholastic League eligibility rules.
 - (F) A foreign exchange student must apply for and receive an approved waiver before

the district certification deadline.

- (4) **Age Rule, Sections 403 (b) and 446.**
- (A) If the Waiver Officer finds that the student meets the requirements set forth in Section 463, the Waiver Officer shall grant the waiver.
- (B) The decision of the Waiver Officer shall be final.
- (5) The waiver is granted for specific athletic activities. If students wish to participate in an athletic activity other than the specific one(s) for which they were originally granted a waiver, such requests shall be presented by the school to the District Executive Committee which shall grant or deny the request. Notifying the Waiver Officer for each subsequent sport is not required.
- (6) Ignorance of the rules is not a basis for granting a waiver.
- (c) **NOTIFICATION.** The Waiver Officer shall promptly send a copy of the decision to the applicant, superintendent, principal and the chair of the District Executive Committee.
- (d) **EFFECT OF DECISION.** If the Waiver Officer decides that the applicant is eligible, the student may participate in a UIL contest until the Waiver Review Board issues a change in eligibility status by overturning the waiver.

Section 466: REVIEW OF WAIVER OFFICER'S DECISION

- (a) Except in appeals under the age rule, Section 465 (b)(4), the applicant, the parent or guardian of the applicant, or any superintendent may request a review of the decision of the Waiver Officer. The request for review must be in writing and be

accompanied by payment of a \$200.00 filing fee. If the applicant or the applicant's parents request the review, and the applicant is indigent or a dependent of an active military personnel, the filing fee may be waived. During the school year requests must be received by the Waiver Review Board within 15 days after the decision of the Waiver Officer was mailed. During the summer holidays, requests must be received by the Waiver Review Board no later than September 1 or immediately after the first meeting of the District Executive Committee, whichever occurs sooner.

- (b) **RULES OF BOARD.** The Waiver Review Board shall adopt and publish the rules of procedure to be followed by it in reviews. In accordance with Section 150, the Waiver Review Board or a UIL Hearing Officer may hold an informal hearing with

witness testimony and other evidence, or decide the appeal based on the written record.

- (c) **REVIEW SCHEDULE.** Unless the request for review is received less than seven days before its next meeting, the Waiver Review Board shall schedule the review of the case at its next meeting except for appeals that have been transferred to a UIL Hearing Officer. The Board may meet monthly from August through March and may meet at such other times as the Chair of the Board may designate. The seven-day limit may be waived if the Waiver Review Board is scheduled to meet to review other cases.
- (d) **REVIEW.** The entire Waiver Review Board, a panel of three members, or a UIL Hearing Officer may review the case. If a member of the Board is involved in the case being reviewed, that member shall abstain from deliberations and voting, and the Chair of the Board may appoint a person to sit in that member's place.
- (e) **REVIEW PROCEDURE.** The review shall be conducted in accordance with the rules and procedures of the Waiver Review Board and may consist of an informal meeting where witnesses are allowed to testify or may be decided on the written record. The application for waiver, the written material submitted to the Waiver Officer by the applicant, superintendent, principal and District Executive Committee, and the decision of the Waiver Officer constitute the written record made before the Waiver Officer.
- (f) **ARGUMENT.** In cases where an informal hearing is conducted, the Waiver Officer, applicant, superintendent, principal and District Executive Committee may submit written documentation or make oral argument. The Board or a UIL Hearing Officer may limit the time for oral argument.
- (g) **PRECEDENT MANUAL.** The Waiver Review Board shall adopt rules concerning the creation and maintenance of a precedent manual which shall contain decisions of the Waiver Review Board that have sufficient precedential value to warrant publication. Opinions in the precedent manual will be composed of a synopsis of the facts of the case along with the panel's decision and a brief explanation of the basis for the decision. UIL staff may assist in the drafting and preparation of the opinion as directed by the board.
- (1) Before being published in the precedent manual, a draft of the written opinion must be reviewed and approved by a majority of the members of the hearing panel that heard the case.
- (2) The precedent manual shall serve to provide

guidance to Waiver Review Board Panel's when considering similar cases.

- (3) The Waiver Review Board's Precedent Manual shall be published on the University Interscholastic League's website.

Section 468: REVIEW DECISION PROCESS

(a) BASIS FOR DECISION.

(1) **Residence Rule, Sections 403 (f) and 442.**

(A) International Baccalaureate Program. The waiver of the residence requirements of a student who changes schools from one independent school district to another independent school district to enroll in the International Baccalaureate Program may be granted unless the District Executive Committee has determined the student changed schools for athletic purposes.

(B) Other Waivers of Parent Residence Rule. If the Board or Hearing Officer finds that the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the student could not reasonably be expected to comply with the rules, the waiver shall be granted.

- (2) **Four-Year Rule, Sections 400 (g) and 408.** If the Board or Hearing Officer finds that the circumstances that caused the student to be ineligible were caused by involuntary and/or unavoidable action such that the student could not reasonably be expected to comply with the rule, and if those same circumstances caused the student to miss an entire season's participation in an activity, the waiver shall be granted.

- (3) **Foreign Exchange Students.** The waiver of the residence requirement of a foreign exchange student may be granted under the following conditions:

- (A) a copy of the student's J-1 visa and certification papers from the approved CSIET (Council on Standards for International Educational Travel) United States Foreign Exchange Program accompanies the waiver form;
- (B) the exchange student has not completed four years of high school attendance and/or graduated from high school;
- (C) the exchange student has not received advanced training (defined as training which is above and beyond that which

is normally provided in Texas public schools) in the germane activity prior to arriving in Texas, such as pre-Olympic training, being nationally ranked or having similar status in a sport, or participation on a national team;

(D) the exchange student has not been placed with a host or a school based on athletic interests or abilities, whether initiated or caused by a student, a natural or host parent, a school, a program or any other interested party; and

(E) the exchange student meets all other University Interscholastic League eligibility rules.

(4) The waiver may be specific to an activity.

(5) Ignorance of the rules is not a basis for granting a waiver.

(b) **ANNOUNCEMENT OF DECISION.** The Board or Hearing Officer shall announce a decision in writing within 15 days after the review.

(c) **REHEARING; EFFECT OF DECISION.** The eligibility status of the applicant as determined by the Board or Hearing Officer is effective on the date the decision is announced. The Board may grant a rehearing on cases that are waived by the Board provided new credible evidence is presented by the District Executive Committee, and it may grant a rehearing on cases that are denied by the Board provided new credible evidence is presented by the applicant or the school the applicant is attending.

(d) **NOTIFICATION.** A copy of the decision shall be sent to the applicant, the superintendent or principal and the chair of the District Executive Committee and each member in the district.

Section 469: RETROACTIVE WAIVER

(a) **WHO MAY APPLY.** If a District Executive Committee has determined that a student, who is not a foreign exchange student, but who is otherwise ineligible according to Section 400 (g) or 403 (f) has participated in a varsity contest, and the District Executive Committee and the superintendent of the school the student attends jointly request a retroactive waiver, the Waiver Officer shall review the facts of that case.

(b) **APPLICATION PROCEDURE.** The application must be in writing on the UIL Application for Waiver form, and signed by the superintendent, the chair of the District Executive Committee, the student and a parent or guardian if the student is under 18.

- (c) **REVIEW PROCEDURE.** The information shall be presented to the Waiver Officer who shall decide whether the waiver should be granted and the applicant declared eligible.
- (d) **EFFECT OF DECISION.** In granting a waiver, the Waiver Officer may determine that the student's eligibility is retroactive to any date during the current school year, so long as the student has been continually eligible under all rules other than the rule being waived since that date. If the Waiver Officer denies the waiver, the applicant may appeal the decision to the Waiver Review Board. The appeal must be accompanied by a \$700 payment to be applied to the filing fee. The filing fee is the actual expense incurred in convening the waiver review board. The balance of the fee shall be billed to the school or parent after expenses are calculated.
- (e) **EXCEPTION TO ABOVE PROCEDURE.** The UIL Waiver Officer can rule on a retroactive waiver, after the season in question is complete, without consent from a District Executive Committee when the request comes from a parent and has no bearing on the district race. The application fee is \$700.

Section 470: SUBMITTING FALSE INFORMATION

If the Waiver Officer, the UIL hearing officer or the Waiver Review Board finds that information was submitted on behalf of an applicant that the applicant knew was false, the Waiver Officer, hearing officer or the Waiver Review Board shall declare the applicant ineligible for one year and the contests in which the applicant competed on behalf of the school he or she now attends forfeited.
